ARTWORK PREPARATION TO DISPLAY AT NPCC

- Framed artworks must have frames with rings or screw eyes on both sides at the back.
- Wire should be placed no lower than 6" from the top so that the art will not lean out from the wall.
- The wire must also not reach any higher than 3" below the top of the frame so the hanging hook will not be visible.
- Wire should be appropriate for the weight of the artwork. Large artwork should be wired with triple strand wire. No artwork greater than 50lbs will be accepted.
- Please wrap sharp edges of wire with masking tape.
- Fibre art should be submitted with proper display equipment. It can be hung with a 4" pocket/sleeve sewn to the top back with a rod or dowel to extend 1" on either side of the piece.

ARTWORK SALES

- Sales of art are handled by the NPCC front desk and artists will be notified when a work is sold.
- Purchasers of artwork are expected to pick up the artwork during the dismantle on May 24, 2026 from 9 am to 12 pm.
- Payment will be issued by cheque for all sold work approximately 14 days after the end of the show, minus an NPCC 15% commission.
- Cheques will be distributed by Canada Post. HST will be remitted to artists on submission of their HST registration number; otherwise HST will be reported and submitted by NPCC.
