WINN *Spotlight*

WINN Spotlight (\$300.00) is our more elevated feature and includes:

- Dedicated exposure across WINN (newsletter + social media features)
- Placement on our Spotlight page and in our printed materials
- Ongoing visibility at events Category exclusivity (only one business per category)
- Spot in the WINN Directory
- The option to host or present to the group

This is best suited for businesses looking for higher visibility and promotion within the WINN community.

WINN *Directory*

The WINN Member Business Directory (\$25.00), on the other hand, is a lower-commitment option designed for easy connection and referrals and includes:

- A business profile in our printed binder at events
- A digital directory listing for members
- Basic contact info and one social link

This is more about discoverability and community support rather than promotion.
