Note: Once approved we will mail the check directly to the uniform store. Make sure you work with the uniform store to get your order correctly. We want orders filled and uniforms distributed to student within 7 days of payment received if possible.

Rules of Grant Program;

1. We allocate \$50 per student. If approved, you understand that a check will be issued in the school name to the uniform store. When you pick up your uniforms you will be handed a \$50 “cash register” receipt for each student from the uniform shop.
2. You agree to spend the funds for school uniforms only in \$50 increments (**\$50 per student**) and return the \$50 receipts to Adopt-A-Family.
3. Please have each student that receives their new uniforms write a general thank you note to the donors. Please have them put some effort into doing a nice note. These notes are sent back to the donors.
3. **Each receipt should be attached to the upper left corner of the thank you note from the student and written on an **8x11 piece of paper**. Please no post cards or construction paper. (its hard to mail to donors) I CAN ONLY ACCEPT CASH REGISTER RECEIPT from the uniform shop. No HAND WRITTEN RECEIPTS will be accepted. School purchases should be tax free from the uniform vendor.**
4. **VERY IMPORTANT: Please make one copy of the receipt / thank you note before sending them to me with the originals. I do not have access to a copy machine for free.**
5. These thank you notes are sent back to each donor to show them what their donation was used for. **It is very important to spend these funds as directed because the results are audited by a law firm each year.**
