AWARDS OFFERED

Flat ribbons will be provided for qualifying runs and fun runs. Rosettes will be provided for new BCAT, DCAT, and FCAT titles. **If your dog is expected to earn a title at this event, please let us know when you send your entries so we can plan accordingly.**

FAST CAT BASICS

Fast CAT is a timed straight race of 100 yards where a dog chases a lure. Dogs are run singularly and earn points based on their handicapped speed. Titles are issued at designated benchmarks. The dog's time to complete the 100-yard dash is converted into speed in miles per hour. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- 18" or greater = handicap is 1
- 12" up to less than 18" = handicap is 1.5
- Under 12" = handicap is 2

$204.545 \div \text{time (seconds)} = \text{speed (miles per hour)}$

Points = MPH multiplied by the dog's handicap

Titles are earned by accumulating points. The following titles will be awarded: BCAT (150 points), DCAT (500 points), FCAT (1,000 points), and FCAT# (every additional 500 points).

To learn more about CAT or Fast CAT, including the complete rule book, please visit the AKC website. <https://images.akc.org/pdf/rulebooks/AKC1812-REFCAT.pdf>

Fast CAT is open to all dogs 12 months of age or older that are individually registered with the AKC, Foundation Stock Service (FSS), Purebred Alternative Listing (PAL), or AKC Canine Partners.

ADDITIONAL GUIDELINES FOR HANDLERS

- If revisions to the premium are necessary, the most up-to-date version can be found on saltydogscoursing.com. Event updates will also be posted in the Salty Dogs Coursing Facebook group.
- You will be expected to have complete info for your dog. Incomplete entries WILL NOT BE ACCEPTED.
- Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The inspection committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded.
- Battery-powered or gas-powered continuous loop equipment will be used. Lures consist of plastic bags. Electronic timing system will be used, with manual timing as a backup if needed. The course will be on a natural (grass) surface.
- The Fast CAT running lane will be enclosed with temporary fencing, including the catch pen which will be at least 50 yards long. It is strongly recommended that prior to running your dog, you have good "recall" control, as the dogs will be off leash.
- Handlers are advised to warm up their dogs prior to their run and walk them for 5-10 minutes afterwards.
- Dogs will be brought to the start line on leash and released upon a verbal signal ("Tally-Ho!") from the huntmaster or after the lure is in motion. The huntmaster is responsible for field safety and therefore is in complete charge of all dogs and handlers on the field. In service to this

responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve their dog.

- Handlers are not allowed to walk down the Fast CAT course before an official run.
- If the dog eliminates on the field during the course, this will be considered a non-qualifying run.
- It is recommended that handlers have someone familiar with the dog at the end of the course to catch the dog, or have someone else release their dog at the start line. Handlers are expected to promptly secure the dog and leave the field with the dog on leash.
- Recalls back to the start line are not allowed. Handlers are allowed to call the dog from the catch area. Toys or treats may be used to help catch the dog, but must be concealed until the dog crosses the finish line.
- A \$5.00 fine may be assessed for any loose dog on the event grounds that is not participating in the course in progress.
- Exhibitors should follow their veterinarian's recommendation to ensure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.
- Any person, upon reasonable complaint, may be asked to leave the grounds by the Field Committee and may be disciplined by the AKC. Children must be under control of their parents or guardian(s) at all times.
- Females in season and lame dogs will be excused, and entries will be refunded.
- After the closing date, refunds for any other cause are at the discretion of the field committee.
- No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, public emergency, act of a public enemy, strikes, or any other cause beyond the control of the club or its members and representatives.
- ALL DOGS RUN AT OWNER'S SOLE RISK. The event-hosting club, its agents, members, representatives, volunteers, etc., and Salty Dogs Coursing, assume no liability or responsibility for any loss, damage, or injury sustained by exhibitors, handlers, spectators, or to any of their dogs or property before, during, or after this event.
