Welcome to our church family. Please make yourself at home.

To help us get to know you, we invite you to sign our guest book (at the back of the church). Join us for fellowship following worship. There are activity sheets for kids of all ages, and a nursery for young children.

All people are welcomed at God's table for communion.

The best way to know what to do is to follow the people around you. This bulletin has the order of service on the front to help you know where we are in the book. If you have any questions, ask the person sitting closest to you.
