Dismissal

We acknowledge that we gather on the traditional lands and unceded territory of the Mi'kmaq people

SCENT FREE SPACE

To help us love each other, please refrain from wearing perfume, Axe body spray, or other scented products to church. We have a number of people in the community who have scent sensitivity and allergies.

Let us respect this holy space: no scents is good sense.

Welcome to our church family.

Please make yourself at home.

To help us get to know you, we invite you to sign our guest book (at the back of the church).

Join us for fellowship following worship. There are activity sheets for kids and a nursery for young children.

Note: this service may be recorded and uploaded to Youtube, in whole or in part. If you have questions speak to a council member or Pr. Kimber.

TRANSFORMATION

Transformation is an Easter idea! The season is one focused on the transformation from death to life. The church has Easter Good News to share with the world; the world has dramatically changed, so the church needs to transform how it is that it shares the Good News. The following transformation affirmations are from Tod Bolsinger's book, *Canoeing the Mountains; Christian Leadership in Uncharted Territory*. You are encouraged to say these affirmations during the Season of Easter. May you and your heart be transformed as you say these phrases:

- We are adapting not to survive but THRIVE.
- We are called to adapt to a changing world.
- We are called to reach that changing world.
- We participate in Jesus' mission to re-establish the will of God
"on earth as it is in heaven."
- We are called to become more and more "conformed to the image of God's Son."
- We exist to reveal the presence and character of God in the world.

FRIDAY PRAYER MEETING -- Gather with others at 1pm for a time of prayer (ending around 2:15pm). Achan, Aromo, and Ariet share prayer through song and word (in three languages). You are welcome to come, relax, pray, and be filled.

MINISTRY IDEAS

Are you interested in activities that are not currently offered in church programming? Please give your ideas to Vr. Pam or Pr. Kimber.

Do you have a skill you could teach or share?

We are always open to ministries started and lead by congregation members. These could be weekly, once a month, a series, etc.

There is also opportunity on Tuesday's during #tuneinTues. Tuesday afternoons: noon -6pm to share with others your passions - felting or other craft, a board game afternoon, book study, coffee and conversation...
