## Candidate Joe Grcar

~~Alameda County Board of Education~~ So earlier, I took the board's suggestion to ask for information about how the district is operating under 9220 of your bylaws, and all I got was an email from a consultant or staffer who suggested that I look at the recordings of these meetings, which I found inadequate.

# Candidate Luis Reynoso

~~Alameda County Board of Education:~~ What are these positions for? You're running a deficit. Let's not screw around the issue.

# BayTech Historical & Projected Enrollment

## Education Expert Says

■ BayTech enrollment   ■ ACOE projection at 1-year decrease rate

Alameda County Board of Education: Despite this consistent decline, BayTek is projecting an increase of enrollment over the next two years. You can see this in the yellow box, in the projected, box.

Lawyer says  
OK to use  
out-of-date  
enrollments

Alameda County Board of Education: Thank you, and I'll just clarify that the relevant time period is the same two years of data that was provided to the district governing board, and the reason that, the, board has adopted that policy is to clarify there is some ambiguity in the education code.

Clifford Thompson  
Oakland School  
Board Member

~~Alameda County Board of Education~~: Many individuals have alluded to the fact that they've had some real challenges in the past, and most of us know that there was a shooting at the school.

Noel Gallo  
Oakland Councilman

Alameda County Board of Education: Good evening. Noel Gallo is my name, and I've had the opportunity to serve on the Oakland Board of Education for 20 years. Now I've been on the City Council in Oakland for 13 years. So I understand the role that you play and the challenges that we all have.

Joseph Grcar  
ACBoE Candidate

Approved 4 Yes to 3 No

Alameda County Board of Education: Resolution 2524 to approve the charter renewal of the Bay Area Technology School for the period of 2 years, and then, as President Barrick expounded, with a strong, strong MOU, and you can go on with that.
