# Who We Are

Sezai Ayvat

Orhan Ozturk

Star Graphic Design & Sign is led by Orhan Öztürk and Sezai Ayvat, combining decades of experience in design, prepress, printing, and installation. Orhan brings 25+ years of expertise as a senior artworker and graphic artist, working with global brands and mastering both digital and large-format printing. Sezai contributes with more than a decade of hands-on experience in signage installation, vehicle wrapping, and custom fabrication. Together, we provide end-to-end solutions — from creative design to professional on-site installation — delivering reliable and high-quality results for every client.

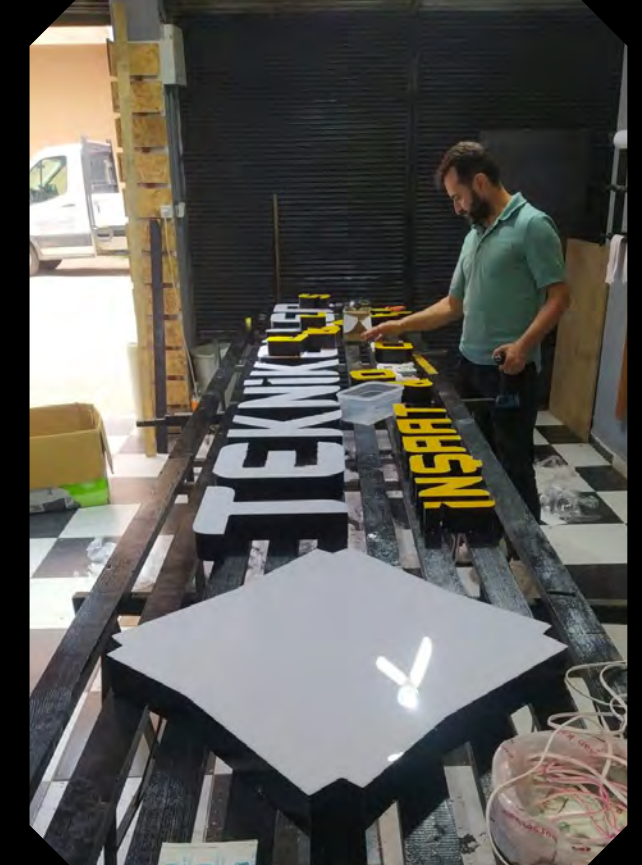

# Our Expertise

Our expertise covers every stage of the design and production process. We provide complete solutions including logo and graphic design, digital printing, signage, custom decals, wall and window graphics, wallpaper wraps, printed awnings, branded event displays, channel letters, LED signage, vehicle wraps, and trade show branding. From creative concept to material sourcing, printing, installation, and maintenance, we manage the entire workflow with precision and reliability.

# Signage Projects

We have completed a wide range of signage projects both in Turkey and the United States. From illuminated and non-illuminated signs to channel letters and large-scale installations, our team handles every stage: design, material sourcing, cutting, bending, painting, and installation. Apart from lighting components, every step of the process is managed by us, ensuring full quality control from concept to completion.

# Usa Projects

Some or all of the images shown here were taken during installation or production stages that we carried out while working at a previous company. These visuals are shared solely to demonstrate our past experience and professional background. They are not intended for any commercial use, ownership claim, or representation of third-party brands.

# Vehicle Wrap Projects

Our vehicle wrap projects showcase the full cycle of design, print, and installation. Some designs are created by our team, while others are provided by clients, but in every case, we take responsibility for the printing and wrapping process. From material preparation to flawless application, we deliver high-quality wraps for both commercial branding and personal vehicle customization.

These visuals are shared solely to demonstrate our past experience and professional background. They are not intended for any commercial use, ownership claim, or representation of third-party brands.

# Dance Floor Projects

We have designed, printed, and installed dance floors for prestigious wedding and promotional events in Long Island and Manhattan. Some designs were created by us, while others were client-provided, but in every case, the printing and installation were handled entirely by our team. With precision printing and professional installation, we ensure that the dance floor seamlessly integrates with the event's décor and lighting.

# Custom Decals Projects

Our custom decals and stickers are applied to a variety of surfaces including tables, glass, walls, and more. We work with both client-provided designs and our in-house creations, producing high-quality prints with precise cutting. Depending on the project, we also source the material and complete the installation, offering a full-service solution for custom graphic applications.

# Trade Show & Promotional Events

We have successfully supported trade show and promotional events across Miami, Tampa, New Orleans, Connecticut, and Denver. For each project, our team managed the entire process: sourcing materials, preparing and cutting prints, wrapping structures, and delivering them to the event location. When required, we also performed on-site installations, ensuring a polished and professional presentation for every brand we worked with.
