

**Chicken Bacon Ranch recipe:**

1/2lb Lowe's Foods pulled smoked chicken  
8oz cream cheese softened  
16oz sour cream  
1 pkg of dry ranch dressing mix  
1/2 lb of bacon (you can add more bacon if you like)  
2 cups of Colby Jack Cheese (set a 1/2 cup aside)  
Green onion

And of course the star The Crooked Boar Sweet and Spicy BBQ Rub.

Take your chicken put into a mixing bowl, and generously season chick with TCB seasoning. Cut your bacon into 1 inch pieces place in pan and cook till done. You can also season the bacon. I do lol. Once the bacon is crispy drain and pour bacon into the bowl. Mix all the ingredients together and place in a crock pot. Take remaining cheese and sprinkle on top and add green onion more bacon and sprinkle TCB seasoning for garnish. Cook on low for 2 hours then serve.
