CONGRATULATIONS

Our very own Rick Osbourne Jr did it! He hiked the Appalachian Trail. He started February 26th, 2022 at Springer Mountain in Georgia and finished on November 6th, 2023 in Maine after having spent 186 days on the trail and loving every minute of it.

Check out his vlog on YouTube. Geology Rocks Stillwater Hiker aka Rock N Roll (<https://www.youtube.com/channel/UCJHQ4hfDVxPmm8NI4gxaz8A>) and you can see every one of the days on trail.

His daughter Tessa joined him in Virginia too this year!
