

Sponsor Letter

The Evolution All Stars welcomes anyone interested in being a donor or sponsor for the 2022 – 2023 Cheerleading Season.

The goal of Evolution All Stars is to extend the rewarding opportunity of competitive cheerleading to as many athletes as possible. All Star cheerleading is a highly competitive sport throughout the nation and the costs for one season for a competitive athlete can easily exceed \$3,300.00. The athletes work diligently to raise money throughout the season in addition to practicing two to four times a week while maintaining their grade point averages and keeping up with school, projects, full time jobs and activities. Support is needed from the community, parents, friends and coaches who are dedicated to developing these amazing athletes. Our athletes are highly committed and talented, but many are unable to afford the cost of private sessions, uniforms, competitions, tuition and travel expenses.

This will be a cheer team that not only participates in cheer competitions, but provides valuable cheer experience, and supports moral ideals. At the same time, it allows the opportunity for young people to gain self-confidence and learn the value of setting goals.

At this time, we would like to respectfully ask if you would be able to sponsor our teams and or our organization. Your contribution is greatly needed and appreciated to help the continuance of this program. Sponsorship levels are listed below.
