

miraglo

FACE

Reveal glowing skin  
*with a gentle rub*

High-precision exfoliation  
*for perfectly refined and glowing skin*

## Why Exfoliate?

Dead skin cells accumulate on our skin surface over time.

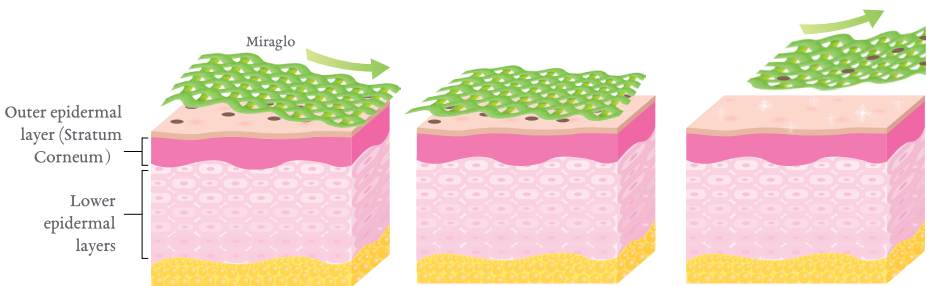

This causes dullness, clogs our pores and prevents our skin from receiving the full benefits of our skin care products.

Exfoliating our skin regularly sloughs off the dead skin cells on our skin surface to:

- *Allow better absorption of skin care products*
- *Speed up the skin renewal process*
- *Uncover smooth glowing skin*

## How Miraglo Works

An exfoliating cloth made of ultrafine microfibres, Miraglo gently lifts dead skin cells with precision from our skin surface in 3 easy steps.

*Step 1*  
Miraglo's ultrafine microfibres slot into the tiny spaces between dead skin cells.

*Step 2*  
The fibres act like a magnet to trap the dead skin cells and impurities.

*Step 3*  
Dead skin cells and impurities are lifted off from the skin with gentleness and precision.

# Why Miraglo

## Safe

Miraglo is non-abrasive and hypoallergenic, suitable for all skin types.

## Easy to use

Only gentle rubbing strokes are required to reveal fresh and smooth skin in just a few minutes.

## Effective

Miraglo's microfibrils are 200 times thinner than human hair to reach into our pores, thoroughly removing dead skin cells and impurities.

## Has no down time

While most exfoliating treatments require a few days for the skin to heal, Miraglo is extremely gentle to the skin, giving you the desired glow without the redness.

\*Upgraded in 2019 from 100 to 200 times thinner than human hair to provide more effective exfoliation that's gentler on the skin.

## Miraglo is certified STANDARD 100 by OEKO-TEX®.

This means that Miraglo is tested to be free of harmful substances. It is hypoallergenic, safe and non-irritating even to sensitive skin.

## Miraglo uses environmentally sustainable packaging.

Forest Stewardship Council (FSC) certified paper packaging helps to reduce wastage and encourage green printing.

## Directions

1. Rinse Miraglo Face before use.
2. Spread cleanser foam over the entire face.
3. Massage gently with Miraglo Face in circular or upward-lifting strokes.
4. Rinse face thoroughly. Follow with your normal skin care routine.

*Suggested Routine:*

**Normal or oily skin:**

Use 2 to 3 times a week

**Sensitive skin:**

1 to 2 times a month

## Caring for Miraglo

- Hand wash gently with mild detergent and rinse well after use.
- Hang to dry.
- Do not dry clean, wash with fabric softeners, bleach or iron.
- Replace after using for 2 months.
