OLD BUSINESS:

- Removal of An Officer: There was talk about how we could remove an officer for just cause. After some discussion, we decided to go by the FCA content. Keith will get the info and get it to Sam, who will get it to the caller's association. This is the proposed content.

Any member of the Executive Board of the Suncoast Callers and Cuers Association may be removed from office by the affirmative vote of three-fifths (60%) of the membership voting at any meeting of the corporation. Text of the motion to remove a member of the Executive Board must be delivered to each member of the SCCA two weeks prior to the meeting at which the motion will be made. Removal from office shall be effective immediately upon proper passage of the motion to remove the officer. The member of the board removed by such action shall be eligible to serve as a member of the Executive Board after a period of two years from the date of removal from office.

- Caller Clinic: The start time is 10:00 AM. There will be a square of dancers available. Keith added that only one person has asked for help in one area. If a person wants help in a area, they should contact Keith.
- Freshman Frolic: There was discussion on what list we were going to use on the Freshman Frolic. The Caller Lab Basic / MS list was agreed on. Sam suggested that we did as we had last year. All the teaching callers should let the MC in charge of the dance know where there dancers are at, so the callers do not call things the dancers do not know. We agreed to do that.

NEW BUSINESS:

SCCA Caller Clinic: Keith asked if anybody had anything, they would like him to work on, please contact him. Sam gave a short program on Singing Calls. Motion to adjourn Gary, 2nd Allen. Motion passed.
