## ABOUT

Victim Advocate and namesake, The Lavinia Masters Act, turned Inspirational Speaker

Dr. Lavinia B. Masters combines her passion for advocating, coaching, and writing within her purpose to empower all about the disparities that sexual trauma causes as well as promoting healthy healing processes not only for survivors but our communities. Lavinia's genuine and authentic delivery coupled with her compelling and sometimes comedic messaging has created a diverse and engaged audience of individuals aspiring to not only live their best lives but encourages them to embrace the power of their voice to make improvements within our justice system.
