GRISWOLD TERRY GLOVER POST 803

JANUARY 2019

STATE OF THE POST REPORT

Hello Fellow Legionnaires & Friends of the Legion:

The State of the Post is good. Overall the Post is doing well with its finances, physical structure and membership. 2018 was a very successful year where we were able to execute many enjoyable fundraising events and provide the Post facility to many outside organizations such as the Boy Scouts, Cub Scouts, Girl Scouts as well as individual members of the community for weddings, birthdays and meetings. All of these activities tie into our commitment to uphold the Four Pillars of the American Legion. All of these events could not have been accomplished if it were not for the commitment of our members and the assistance we always receive from the NJROTC program. I'm writing this column on the same day that Joe St. Pierre and I attended the NJROTC annual inspection. What an amazing organization and it is a testament to the leadership of Major Bill Grigonis, Senior Chief Petty Officer Charles Turner and NC1 Felicity Turner. We are so blessed to have this program at a time where Americanism is in question. As Americans and Veterans we need to ensure our fellow citizens realize how our freedoms have been assured because of the sacrifices made by our fellow brothers and sister in arms throughout our history.

America has ALWAYS BEEN GREAT regardless of her imperfect present and past. What is so beautiful about America is our belief in checks and balances and our ability to evolve as a Nation. Our country was founded on the idea that we need protection from each other and the abuses of those that possess power. Anyone that has had the pleasure or requirement to visit impoverished countries outside of our borders realize just how blessed we are. The Cadets that participated in NJROTC annual inspection

POST 803 NEEDS & LONG-TERM GOALS

Legionnaires & Friends of the Legion:

This following list details future needs that we have here at Post 803. Eventually we need to address these needs because the Post is showing its age. We are seeking your help to begin to address these issues and ensure the stability of the Post. We have been repairing the roof and bathroom issues for years but these small repairs will not last forever. If you notice we have an additional goal to raise \$20,000 above our usual fundraising activities to begin to build up our building fund for these projects.

If you are able to contribute financially or perhaps you have a construction company or construction skills and would like to assist us then please reach out to me or Joe St. Pierre our designated in-house construction expert. Call the post and leave a message for either one of us 631-765-2276.

tion may never serve in uniform and that is ok. What they have learned is self-discipline, organization skills, working as a team, public service, public speaking, respect for appearance, respect for their fellow citizens and an appreciation for the country that grants them the freedom to learn all these life skills.

That is what Post 803 stands for and that is why we exist. I encourage everyone of our members to participate in our upcoming calendar of events as volunteers or participants. Each event serves a purpose and is tied right back into our commitment to the Four Pillars of the American Legion. I can't list all of the great volunteer members that have made 2018 a success. I have tried to do this publicly at our events but I want all of you to know how proud I am of all that you have accomplished. You will see some changes to our calendar of events as new members and old ones have committed to chair key activities at the Post. The chairman concept will help focus our efforts for each major event and ensure a smoother execution. Please reach out to the chairs of these events if you would like to take on one of the many tasks that need to be accomplished for an event to be successful. I believe we will have an amazing 2019 and I'm personally excited for the New Year.

God Bless All of You!

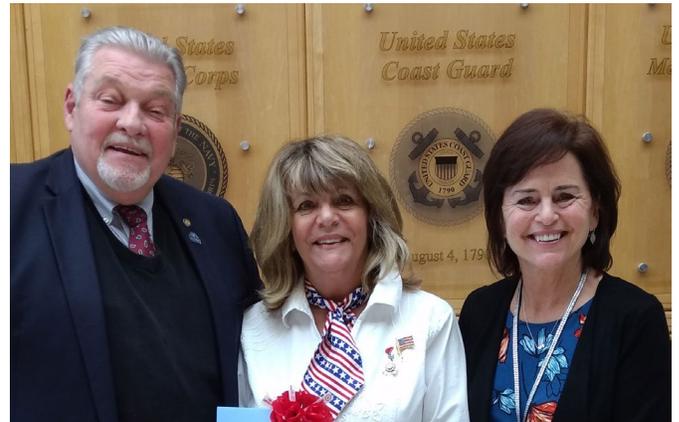

Merry Christmas and Happy New Year!

Our future is looking bright but our brilliance is only sustained through combined effort!

For God and Country
Sincerely,
Charles J. Sanders,

SONS OF THE LEGION

Happy Holidays to everyone and their loved ones. The SAL Meetings starting in 2019 will be on every 3rd Wednesday of the month with the Bar opening at 6pm and the meetings at 6:30pm. The SAL is always looking for new members so this month I included some history of the SAL and requirements to join. The Membership Dues are only \$25,00 a year.

Founded in 1932, Sons of The American Legion exists to honor the service and sacrifice of Legionnaires.

S.A.L. members include males of all ages whose parents or grandparents served in the U.S. military and were eligible for American Legion membership. Members of The American Legion, American Legion Auxiliary and Sons of The American Legion comprise the Legion Family, which has a combined membership of nearly 4.2 million. Although Sons has its own membership, the organization is not a separate entity. Rather, S.A.L. is a program of The American Legion. Many Legionnaires hold dual membership in S.A.L. The Sons organization is divided into detachments at the state level and squadrons at the local level. A squadron pairs with a local American Legion post; a squadron's charter is contingent upon its parent post's charter. However, squadrons can determine the extent of their services to the community, state and nation. They are permitted flexibility in planning programs and activities to meet their needs, but must remember S.A.L.'s mission: to strengthen the four pillars of The American Legion. Therefore, squadrons' campaigns place an emphasis on preserving American traditions and values, improving the quality of life for our nation's children, caring for veterans and their families, and teaching the fundamentals of good citizenship.

Since 1988, S.A.L. has raised more than \$6 million for The American Legion Child Welfare Foundation. S.A.L. members have volunteered over 500,000 hours at veterans hospitals and raised over \$1,000,000 for VA hospitals and VA homes. The Sons also support the Citizens Flag Alliance, a coalition dedicated to protecting the U.S. flag from desecration through a constitutional amendment.

All male descendants, adopted sons and stepsons of members of The American Legion, and such male descendants of veterans who died in Service during World I, World War II, the Korean War, the Vietnam War, Lebanon, Grenada, Panama, the Persian Gulf War and the War on Terrorism, during the delimiting periods set forth in Article IV, Section 1, of the National Constitution of The American Legion, or who died subsequent to their honorable discharge from such service, shall be eligible for Membership in the Sons of The American Legion.

The Sons of The American Legion was created in 1932 as an organization within The American Legion. The S.A.L. is made up of boys and men of all ages whose parents or grandparents served in the United States military and became eligible for membership in The American Legion. Together, members of The American Legion, The American Legion Aux-

iliary and the Sons of The American Legion make up what is known as The Legion Family. All three organizations place high importance on preserving our American traditions and values, improving the quality of life for our nation's children, caring for veterans and their families, and perhaps most importantly, teaching the fundamentals of good citizenship.

Sons have always assisted Legionnaires with Legion Family programs. Our Family boasts a combined total membership of nearly 4.2 million members. This year, Sons attained an all time high national membership of over 365,000. The largest Detachment, Pennsylvania, has over 61,000 members. Trophies and awards are given to Detachments and Squadrons for the largest membership and the largest increase in membership. Just as each Legion post determines the extent of its service to the community, state and nation, each S.A.L. squadron is permitted flexibility in planning programs and activities to meet its own needs. The S.A.L. has study programs recommended for younger members. One such program, called "The Ten Ideals," teaches the elements of patriotism, health, knowledge, training, honor, faith, helpfulness, courtesy, reverence and comradeship. If a member completes the Ten Ideals program, he is eligible to continue with another program called the "Five-Point Program of Service." This program covers patriotism, citizenship, discipline, leadership and legionism.

Sons focus on much more than just membership. At all levels, Sons support The American Legion in promoting a wide variety of programs. Sons assist their posts in other activities such as Veterans programs, Veterans Administration home and hospital volunteerism, Children Youth projects and fundraising. Since 1988, The Sons have raised more than \$6.9 million for The American Legion Child Welfare Foundation. Members have volunteered over 1.3 million hours to date in Veterans Hospitals throughout the country and raised over \$2,500,000 that has gone directly to VA hospitals and VA homes for a variety of items including TVs, radios, medical equipment and clothing for the patients.

There are many men who are members of both The American Legion and the Sons of The American Legion. Often, these individuals started out as young members of the Sons. Then, when they were old enough to serve the military, they also became eligible to join The Legion. Such individuals are known within our organization as dual members. The Sons of The American Legion is one of many organizations that sponsors and supports the Citizens Flag Alliance, a coalition formed to secure flag protection legislation through an amendment to the U.S. Constitution. S.A.L. volunteers work to establish local networks by having petitions available and handing out informational material. They alert their communities to the importance of respect for the flag and they encourage flag education programs in schools and other local organizations.

Happy Holidays,
Joe Best, SAL Commander

SWEENEY FAMILY FUNDRAISER

In early November a fire swept through the Sweeney home in Southold, leaving the family displaced until the house can be restored. The mother, Gem, sustained severe burns and was airlifted to Stonybrook's burn unit for treatment and rehabilitation. They lost all possessions on the first floor due to smoke damage. There will be many expenses the Sweeney family will incur while rebuilding their lives and their home.

HISTORIAN

American Legion Celebrates its 100th Birthday in 2019!

The American Legion was founded in March 1919 in Paris, France, by U.S. World War I military personnel stationed there who were dedicated to four pillars of service and advocacy: veterans, military personnel, youth and patriotic values.

The American Legion today consists of 55 "departments" in each of the 50 states as well as the District of Columbia, France, Mexico, the Philippines and Puerto Rico. There are approximately 13,000 local posts worldwide.

Current national membership is over 2 million. Combined with the American Legion Auxiliary and Sons of The American Legion, membership in what is known as The American Legion Family exceeds 3 million.

American Legion membership is open to military personnel and veterans who have served their nation on active duty during wartime. Eligibility has been open to all who have served on active duty since Aug. 2, 1990, the beginning of continuous U.S. armed conflict in the Middle East and other locations around the planet.

The Legion has been instrumental in the creation of a number of major institutions of American society, including formation of the Department of Veterans Affairs, creation of U.S. Flag Code, passage of the GI Bill and more.

American Legion posts annually:

- Donate more than 3.7 million hours of volunteer service in their communities
- Provide assistance on more than 181,000 VA benefits claims and cases
- Donate more than 80,000 pints of blood to collection centers nationwide, which makes the Legion the nation's single largest blood donor
- Awards more than 8,000 medals to Junior ROTC students
- Sponsors more than 2,500 Scouting units serving more than 64,000 young people
- Awards more than \$4 million in college scholarships
- The American Legion will mark its 100th anniversary with a 15-month celebration running from its national convention in August 2018 through Veterans Day 2019.

MERRY
Christmas
& HAPPY NEW YEAR

LEGION AUXILIARY POST 803

Let's start the new year on a positive note by looking back on all the good things the dedicated volunteers of the Legion Auxiliary were involved with in 2018. Starting in January we interviewed for Empire Girls State, and chose Emiliann Palermo, a wonderful candidate. Girl Scout Cookies were sent to the troops and we donated to the Marine Warrior Foundation, which has made a big impact in addressing PTSD.

In February we had our first Daytona Party and acquired a big screen TV for the post.

As spring approached we were involved in the St. Patrick's Day dinner, Legion Breakfast and helped restock the Boots on the Ground food pantry. We gave support to a Girl Scout troop in Floral Park learning to make plastic poppies for a project with their local American Legion. Once again we planted our "Field of Poppies" and distributed paper lapel poppies to the community. We had our annual Installation Ceremony, helped out with the Legion Installation Dinner, donated to the Northport VA Women's Wellness Center, and participated in the Marine Reunion held in Southold.

Summer brought the annual Yard Sale and The Car Show. We presented a donation to America's Vet Dogs and participated in parades, spruced up the office

with new curtains and fixed the curtain over the Bingo board by purchasing a new curtain rod.

Fall brought the Legion Chicken BBQ, Holiday Craft Fair, Veterans Dinner Dance and Veterans Day Ceremony. We donated to the American Legion Auxiliary Emergency Fund and rang in the holiday season with the annual Christmas Party Potluck.

Over the course of the year we also donated to people facing hardships from illness, injury, a house fire and other hard times. Grocery gift cards were sent at Thanksgiving to Boots on the Ground and we participated in the VA Hero Hunger Help Project. We sent gift cards to local active military, were involved in Wreaths across America at Calverton National Ceremony and donated to Guardian House, the only VA supported transitional housing program for homeless female veterans in NY State.

We welcome new members and this year six have joined with more in the process. We also send out a big thank you to Commander Sanders and the members of the Legion and Sons who are always there to assist with our projects.

All of this would not be possible without the generous donations of time and money from all who are reading this and the community at large. Thank you all so much and thank you ladies of the Auxiliary! Happy New Year!
Joan Cochran, *President*
