

SAINT GEORGE
ACADEMY Est. 1968

How to Apply to Saint George Academy

Please review the following steps if you wish to enroll your student in our school:

1. Contact the school at (212) 473-3323 and schedule a meeting with the principal, Andrew Stasiw.
2. At least one parent and the student **must** attend the meeting with the principal. Be prepared to stay for an hour. Please bring the following:
 - Student transcripts or report cards for the prior 2 years.
 - Any available recommendation letters.
 - TACHS exam results if available.
 - Any available records from NY State or other standardized test results.
3. For international students with I-20 student visas, please bring your current passport and a copy of the I-20 student visa.

Notes about the interview:

SGA is a small boutique school that encourages **all students** to apply. At the interview, you will be introduced to the school's culture, academics, curriculum, college preparation initiatives, and you will be given a tour of our school. We will also discuss your students' academic history and academic aspirations.

Upon completion of the interview, if it is mutually agreed that SGA is the right fit for your family, then you will be given an application that can be completed at the interview.

Your application will then be submitted to our Foundation Board for consideration of Financial Aid and Academic Merit or Sports Scholarships. Afterwards, you will receive a letter regarding your admission status, and if accepted, the cost for your tuition after any awards are granted. The final step is your acceptance and payment of a non-refundable \$500 registration fee.

Please feel free to call us if you have any questions or wish to schedule an interview with your student. Thank you and May God Bless you!
