October 01, 2020 | Volume 1 Number 1

The purpose of "Friends" is to support the U.S. Army Corps of Engineers' educational, interpretive, scientific, and conservation programs while ensuring, improving and/or developing recreational opportunities such as hike and bike trails, paddle trails, and other opportunities as recognized to improve environmental and recreational enjoyment of Lake O' the Pines.

We Are Officially A 501 (c)(3)

Friends of Lake O' the Pines is officially a 501c3 nonprofit!

We have a disc golf course to build with the Corps of Engineers, a bike trail, and really hope to bring a few events to the lake soon!

Now is as good a time as any to join us in bringing new opportunities to the lake. We need YOU to make this happen! Let's do this!!

Disc Golf Coming to Lake O' the Pines

USACOE, in collaboration with Friends and several local disc golf enthusiasts, are installing a professionally designed disc golf course. Course is being built and completed utilizing volunteer labor hours.

Roger Geiger and David Gilliland introduced people to the game of Disc Golf at the Fall Hayride and Family Day held out at Brushy Creek last year. Stay tuned for more information.

What's Your Interest?

Trails?

Did you know that there are trails all over Lake O' the Pines? Walking trails, biking trails, hidden trails... If you enjoy this type of activity you may be interested in joining up with the trail group. Now that the weather is cooling down, we are gearing up to get to work. People are needed to help clean and maintain the trails, walk them and alert to any needs or concerns. Trail work was done at Alley Creek by these awesome volunteers.

Birding?

From bald eagles to pelicans, hummingbirds to herons, Lake O' the Pines is home to a vast variety of birds. If this is where your interest lies you may be interested in joining the birding group. With topics ranging from photography, identifying, to even just enjoying nature, this may be the group for you.

Interested in Joining Friends of Lake O' the Pines?

Please download the [PDF form](#) and return it to us at info@friendsoflotp.com. Payment can be submitted through PayPal with the DONATE button. You may also give us a check or cash but please do not mail cash. Please note your name and information in the NOTES on your payment and "Wish to Join" so we can link it to your membership form.

Our Mission and Purpose

We are a like-minded group of people with a mission to beautify, improve and increase recreational opportunities at Lake O' the Pines. Our Organization is a separate entity that works alongside the US Army Corps of Engineers.

Make a Difference!

Are you passionate about Lake O' the Pines? Are you looking for more things to do outside including hike-and-bike trails, paddle trails and more? Let us know! We are always looking for volunteers to help us make our vision a reality. We'll help you find a way to volunteer that best suits you. We're excited to have you join the team!

Thank you!

Whether you help through donations, volunteering your time and labor, or spreading our mission through word-of-mouth, thank you. We couldn't accomplish our goals without the help of supporters like you.

Coming soon...

Volunteer Opportunities:

- * Disc Golf
- * Trail development and construction for hiking and biking
- * Birding and nature interpretation
- * Kayaking and paddling trails
- * Beautification projects
- * Educational projects
