

the Game of LIFE

GIANT EDITION

8+  2-4

Collect a Family, Pet, Vacation and Career on your journey through LIFE! Then, retire in your Dream Home. The player that collected the cards with the highest score wins!

CONTENTS:

60 Cards (12 Actions Cards, 8 Adventure Cards, 40 LIFE Event Cards), 1 Vinyl Gameboard, 1 Giant Spinner

SETUP

Step 1 - Lay down the vinyl gameboard in a space that is large enough (either indoors or outdoors).

Step 2 - Separate the LIFE Event Cards into 5 piles: Family, Pet, Vacation, Career and Dream Home. Shuffle each pile and then place them next to their row, just off the gameboard. From each pile, place 6 LIFE Event Cards onto the board, facedown.

Step 3 - Shuffle all the Adventure Cards and give an Adventure Card to each player. Place the rest off to the side.

Step 4 - Shuffle all the Action Cards and place them in a draw pile near the spinner.

ADVENTURE CARDS

Your Adventure Card has an icon which tells you what your LIFE's adventure will be! Throughout the game, if you collect a LIFE Event Card that has the same icon as your Adventure Card, you will get bonus points! The number of points you can add to your total are in the bottom right hand corner. Cards can have multiple icons! You only need to match one of the icons to get the bonus points. Bonus points are only added at the end of the game.

LIFE EVENT CARDS

These are the cards you collect on your journey! They each have a value assigned. Your goal is to collect a complete set of LIFE Event Cards (1 Career, 1 Family, 1 Vacation, 1 Pet, 1 Dream Home) with the highest value.

ACTION CARDS

These will give you a challenge to do! If you're the winner of the challenge, you get to do the action on the card.
