

TACO CAT GOAT CHEESE PIZZA

Number of players: 3 to as many players you can fit round a deck of cards

Deal: Shuffle and then distribute all cards evenly face down to all players

Objective: Get rid of all your cards and be the FIRST to slap a match

Game Play: The person to the dealer's left puts a card into the center, face-up, saying "Taco." The player on his left then puts her card face-up on top of his, while saying "Cat." Play continues in this way (going "Taco" "Cat" "Goat" "Cheese" "Pizza" "Taco" "Cat" "Goat" "Cheese" "Pizza" ..ETC) until the following happens:

The card just laid matches the word spoken by the player (e.g., they put down a 'Pizza' while saying "Pizza"). At this point, all the players must SLAP their hands on top of the pile of cards in the center, and the LAST player to do so takes the entire pile, and puts them on the bottom of the pile in his/her hand. He/She then starts off the next round saying "Taco", the next player, "Cat" next "Goat"...ETC.

In Addition: When a player has used all their cards, they continue to say "Taco, Cat, Goat...ETC" in turn, and still have to SLAP the pile when a match occurs.

Flinching: If any player slaps, or even starts to but jerks it back ("flinches") they forfeit the round and pick up all the cards in the center.

Pace: You have to keep a steady fast rhythm to the game, if you break it by forgetting what you're supposed to be saying or by not noticing its your turn you have to pick up the cards.

No Peeking: All Players must put cards into the pile by flipping them over facing outward. If a player clearly looks at their card before placing it into the pile they forfeit the round and pick up all the cards in the center.

Special Cards: All players must complete the actions below immediately when a special card is revealed, and then SLAP the pile. If a player does the wrong action or are the last to SLAP the pile, they must pick up the cards

Gorilla: All players beat their chest

Groundhog: Knock on the table with both hands

Narwhal: Slap your hands above your head to form a horn

Winning The Game: The game ends when a player with no remaining cards is the FIRST to correctly SLAP a match or special card.
