Scrapmania Spring Indoor Garage Sale
Thursday, March 9th at 10:00 am through
Monday, March 13th at 3:00 pm

Be sure to Save the Date for our next INDOOR Scrapmania Crafty Garage Sale! Customers mark their treasures they no longer use, then we organize it all in our HUGE store, and you get to come SHOP!!! It's a win, win for sellers and shoppers!

What kinds of things do we usually have-thousands of stamps, die cutting machines, Cricuts & cartridges, dies, trimmers, yarn, punches, paper, storage, ribbon, embellishments, tools-pretty much EVERYTHING CRAFTY! This is a great way to stock up on creative stuff without blowing the bank!

Sunday & Monday are both half price days, so make sure to come in at least twice, on a regular price day, and again on half price day! There will be a new video posted on Facebook everyday showing how much is left at the sale. You NEVER MISS OUT on the good stuff by missing the first couple days! We get so much, there is ALWAYS still good stuff left, I promise!

Do you want to SELL your stuff you no longer use? GREAT--You purchase a seller number for \$5.00, that number is yours for future garage sales too, if you choose to keep participating, just reactivate your number at each sale. **80% of what you make gets saved into our computer system as store credit that DOES NOT EXPIRE! The remaining 20% is used to cover my additional help at the store, as well as my credit card processing fees.**

There are a few rules sellers must abide by: Use a 3x5 index card that includes seller #, price, & item description. Only clean, non-broken items, you know the good stuff that other people want! We don't want to be thought of as a junk sale, as we always have fantastic items! Once the sale is over, we organize the seller's items back into boxes, and you pick up the leftovers, hopefully you have none! We always have new sellers at each sale, which keeps things fresh! Stop by Scrapmania for a complete list of rules. Items can be dropped off starting 5 days before the sale and must be picked up in the 3 days after the sale ends unless you would like them donated.

Any questions, please feel free to ask!

Design Team

Toni's Classroom Valentine Cards

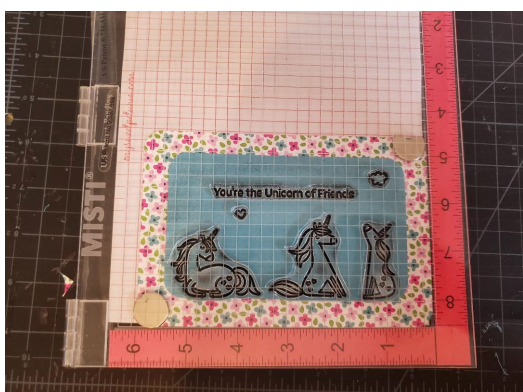

Toni's five-year-old daughter was the brains behind this month's Design Team Project. She really likes crafting with her mom, so Toni let her pick out all of the materials for this month so they could make Valentines for her to exchange at school! Toni was envisioning a simple cardstock matted on a patterned

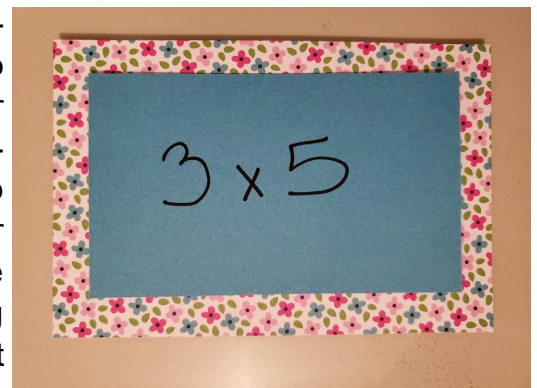

background with a stamped sentiment on it. She chose the flower paper from Doodlebug's French Kiss Collection and textured blue cardstock in Caribbean Breeze. She cut out the patterned paper in 4x6 rectangles, that way they could get six cards from each sheet of paper. The next step was to cut the blue cardstock into 3x5 rectangles and rounded the corners on every piece and matted the cardstock onto the patterned paper. Her daughter wanted unicorns so they found the adorable "Friendly Unicorns" stamp set by My Favorite Things. The sentiments work perfectly for Valentine cards for friends! She chose what unicorns to use and positioned them on the card. They used a MISTI stamping tool which made the next step a breeze! Her

daughter wanted unicorns so they found the adorable "Friendly Unicorns" stamp set by My Favorite Things. The sentiments work perfectly for Valentine cards for friends! She chose what unicorns to use and positioned them on the card. They used a MISTI stamping tool which made the next step a breeze! Her

daughter inked and stamped each card herself and had a wonderful time! After that they colored the unicorns and added Doodlebugs Shape Sprinkles in Happy Hearts for some extra color and dimension. The last step was to add the yummy treats onto the back of the card using Doodlebugs washi tape in the Airmail pattern! This was a really

fun project to do with her daughter! She loved going to "Scrapmania" and getting to pick out her own things! Working on the project for about half an hour at a time and it only took them a few hours total and was a really fun way to spend time together doing something that they both enjoyed!

Jennifer's First Card

Jennifer used negative die-cutting to draw attention to the large Solid Numbers (MFT Stamps) and Outline Numbers (MFT Stamps) and make them the star of the show.

1. Ink blend on a panel of Bristol Smooth paper. Splatter with ink and paint, if desired.

2. Die-cut the numbers from the center of the panel.

3. Line up the panel on the card base and run it through the die-cut machine again so that they cut through the card base. If it does not cut all the way, that's okay. Remove the panel and snap the dies into the grooves left in the card base and run it through for a third time.

4. Cut Solid Numbers from white card stock.

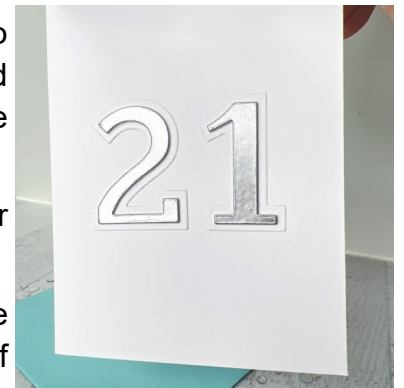

5. Close the card base and adhere to the white numbers by placing them in the negative spots.

6. Make your own metallic paper by smushing your embossing pad onto white card stock, cover it with silver embossing powder (Gina K), heat. You can do this multiple times to achieve a more solid and thicker appearance. Jennifer did it three times.

7. Die-cut Outline Numbers from the silver embossed card stock.

8. Adhere the silver Outline Numbers to the white Solid Numbers that are on the inside of

the card base.

9. Add a sentiment below the numbers. On this card she used Raise a Glass (MFT Stamps).

Jennifer's Second Card

Number dies are a staple in any crafter's inventory, just like alphabet dies.

And these large ones from MFT Stamps really pack a punch in your project. Numbers can be used for birthdays, graduations, anniversaries, athlete jersey numbers, and calendar dates, just to name a few. For this card, Jennifer created a graduation card using the Outline Numbers and Solid Numbers (MFT Stamps). Supporting supplies include the Just Wanted to Say stamp set from Spellbinders (for the "congratulations") and For the Grad from Gina K

for the mortar board and the confetti stamps.

This card is also a money holder because she hasn't met any graduate who doesn't appreciate cold hard cash. The dimensions of the card are 6.5" wide and 8.25" tall. When you have your trimmed panel in front of you, the side that is 8.25" will be going left to right. You will score lines at 1.25" from the left side and 3.5" from the right side.

The black strip on the bottom is .75" tall and the sentiment is white heat-embossed on it.

Jennifer's Third Project

This last project is a treat bag using muslin bags. These could be used for all sorts of events - Valentine's treats for your colleagues or friends, birthday candy or other treats (small airline booze bottles fit pretty well or nail polish), or gift bags for athlete banquets at the end of the season (you can put their jersey number on each bag to customize it).

The numbers were die-cut from felt. Both hot glue and regular fabric glue work to adhere the felt to the bags. Jennifer used stencils and dye ink to create a background pattern on each bag and then used dye ink again and a stamp to create the sentiment at the bottom of the bag. She used the Sassy Speech Bubble stamp set (Waffle Flower) to create the sentiments on the tags.

Outline Numbers: MFT Stamps

Solid Numbers: MFT Stamps

Lots of Stars stencil: Lawn Fawn

Polka Party stencil: Taylored Expressions

Heart to Heart stencil: Taylored Expressions

Love Letter stamp set: Lawn Fawn

Big Birthday Wishes: MFT Stamps

Oh Yes You Did: Taylored Expressions

Sassy Speech Bubble: Waffle Flower

Tulip fabric paint to draw lines on the felt

Karen's First Project

Happy New Year! Karen can't believe that 2022 is over with. She decided to go with a Valentine's Day theme this month, so she used Photoplay's Tulla and Norbert's Love Story collection and ephemera. She absolutely loves the vibrant colors of this collection and the gnomes!

For her first project, she thought it would be fun to use Photoplay's Card Box to create three cards with a matching gift box to put them in. She started by assembling the card box with the included instructions, and then chose what papers she wanted to use. The instructions are easy to follow and also include templates for cutting the scalloped edge and angled paper pieces. After she finished decorating the box with matching ephemera, and enamel dots, she moved onto the cards. The Card Box set

comes with three card bases and three envelopes. The cards were very easy to put together and she thinks they turned out cute!

Karen's Second Project

For her second project, she made a couple of milk carton Valentine treat boxes using the same collection kit, along with the Lawn Fawn Milk Carton die set. The milk carton was surprisingly simple to put together. You just die cut two pieces of cardstock for each carton, fold along the score lines, and use Scor-tape and a little bit of liquid glue to put it together. Then she decorated using twine, small clothespins, matching ephemera and enamel dots. These would be perfect to give to co-workers or teachers for Valentine's Day with a few treats inside!

Lisa's Design Team Projects

Lisa's Design Team crafting fun for the month was playing with some of the last Lawn Fawn release. She did some die cutting to come up with three fun cards that she was trying to make look like night time scenes.

She loves the space of a slimline card and having more room to spread out the scene!

The inside of the slimline card has a pop up smile inside as an added surprise. Lisa used Oliver's ABC dies to layer the letters onto the pop up die.

The mice from the Dandy Day stamp set were perfect additions to this Oh What Fun die.

The giant Oh What Fun die is so easy to layer for a sentiment that pops off of the card!

Here are the sets used to create her three cards. All of the products are from Lawn Fawn.
