Monday, March 13th at 3:00 pm

Be sure to Save the Date for our next INDOOR Scrapmania Crafty Garage Sale! Customers mark their treasures they no longer use, then we organize it all in our HUGE store, and you get to come SHOP!!! It's a win, win for sellers and shoppers!

What kinds of things do we usually have-thousands of stamps, die cutting machines, Cricuts & cartridges, dies, trimmers, yarn, punches, paper, storage, ribbon, embellishments, tools-pretty much EVERYTHING CRAFTY! This is a great way to stock up on creative stuff without blowing the bank!

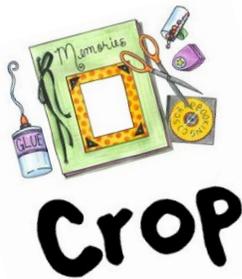

Sunday & Monday are both half price days, so make sure to come in at least twice, on a regular price day, and again on half price day! There will be a new video posted on Facebook everyday showing how much is left at the sale. You NEVER MISS OUT on the good stuff by missing the first couple days! We get so much, there is ALWAYS still good stuff left, I promise!

Do you want to SELL your stuff you no longer use? GREAT--You purchase a seller number for \$5.00, that number is yours for future garage sales too, if you choose to keep participating, just reactivate your number at each sale. **80% of what you make gets saved into our computer system as store credit that DOES NOT EXPIRE! The remaining 20% is used to cover my additional help at the store, as well as my credit card processing fees.**

There are a few rules sellers must abide by: Use a 3x5 index card that includes seller #, price, & item description. Only clean, non-broken items, you know the good stuff that other people want! We don't want to be thought of as a junk sale, as we always have fantastic items! Once the sale is over, we organize the seller's items back into boxes, and you pick up the leftovers, hopefully you have none! We always have new sellers at each sale, which keeps things fresh! Stop by Scrapmania for a complete list of rules. Items can be dropped off starting 5 days before the sale and must be picked up in the 3 days after the sale ends unless you would like them donated.

Design Team

Jennifer made some stunning cards for her February Design Team Projects

Using the Altnew Golden Days stamp and die set, Jennifer embossed the flower and leaf outlines with Versamark ink and colored embossing powder (extremely easy way to get a smidge of color without using ink or markers). She then die-cut the images and placed them on the white card panel. The sentiment was silver heat embossed using the Taylored Expressions Signature Sentiments set. A very small sliver of silver

metallic card stock was adhered to each side of the sentiment panel. Then, this whole panel was adhered to a pink card base.

Jennifer's Card # 2

Jennifer used the Altnew Golden Days stamp set with the coordinating stencils to create the flower and leaf images. The background was created by cutting strips of shiny black card stock from her stash using the LDRS Creatives 1/2" Slimline Background dies and then placing them at an angle across her dark gray card base. The flowers were adhered and then the sentiment from the Avery Elle With Sympathy set was popped up on top of the flowers.

Jennifer's Card #3

So many crafters struggle with making sympathy cards. Here is one more that Jennifer made using this floral set. She used the

large flower stencil from the Altnew Golden Days set in shades of gray. She die-cut a rectangle from the middle and applied a foil border using the Spellbinders Essential Duo Lines and Spellbinders black foil. The center panel was popped up with a piece of foam. The sentiment was created from the Spellbinders Everyday Sentiments II set using silver Spellbinders foil on black card stock. The sentiment strip

was adhered so that it is hanging over the edge of the center panel and extends to the right side of the card base.

Karen's Cards for February Design Team!

For her February projects, Karen decided to use Taylored Expressions Candles 6x6 layering stencil, Taylored Expressions Every Birthday stamp set, and Taylored Expressions Frame in Frame 3 Cutting Plate die set to make some birthday cards.

For her first card, Karen stenciled the candles onto Taylored Expressions Sugar Cube cardstock using Taylored Expressions Lollipop, Cookie Monster, Lavender Glaze and Pineapple inks. Karen

then die-cut a piece of Lavender Glaze cardstock with one of the Frame in Frame 3 Cutting Plate dies, and placed everything together in her Misti so she would know where to stamp the sentiment at. Karen used Versafine Clair Nocturne ink for the sentiment, and she absolutely loved the results from this ink. It is the best ink for stamping sentiments!

Karen's Second Card for February

Karen stenciled the candles onto Taylored Expressions Toffee cardstock using Taylored Expressions Pineapple, Lime Zest, Cookie Monster and Blueberry inks, and then again die-cut a frame using Blueberry cardstock and inked the sentiment using Versafine Clair Nocturne ink for her second card.

Karen's Third Card for February

For her third card, Karen wanted something a little different, so she pulled out her Taylored Expressions Linen background stamp and used her Misti to stamp the image onto Toffee cardstock using Toffee ink. This gave a nice subtle, textured look to this card! Next, she stenciled the candles onto Taylored Expressions Sugar Cube cardstock using Taylored Expressions Lollipop, Candy Corn, Pineapple, Lime Zest, Cookie Monster and Lavender Glaze inks. Karen die-cut

a frame out of Lime Zest cardstock and a mat for the candle image out of Cookie Monster cardstock.

Once all of her pieces were stenciled and die-cut, she decided it would be fun to use some Lawn

Fawn Fairy Dust stencil paste on the candle flames before assembling everything.

Karen used the stencil with just the flames on it and a palette knife to spread some

paste onto each card front and let them sit for a while to dry. After the stencil paste was completely dry, she used a Copic Y17 to make the flames brighter yellow, and really loved the sparkly candle flames results!

Assembling the cards was pretty simple with just choosing coordinating card base colors and attaching everything together. Karen also used some Doodlebug twine, enamel dots and mini jewels to embellish each card.

Toni's February Design Team Project

This post contains a lot of photos from Toni's Christmas album!

Toni used the Simple Stories Mix & A-Mingle line. She loves the festive, vintage vibes of this collection! She had a lot of fun creating numerous shakers using the Picket Fencer Studios Traditional Christmas Candy Mix Embellishments. It has bright, iridescent sequins along with snowflakes and delicious Christmas candies!

Toni used the Simple Stories "Candy Canes" stencil. She used ink and embossing powder to add red to these fabulous candy canes.

They were a great background she was able to incorporate many times into the album!

Her favorite page showcases a retro aluminum Christmas tree she made using Tim Holtz Christmas tinsel!

Then she adorned the tree using ornaments from the Journal Bits pack in the Mix & A-Mingle collection along with the

coordinating Enamel Dots to add even more pops of color!

Toni used Simple Stories "Gingerbread Cookies" on numerous pages using Taylored Expressions Honey ink color. She then added "icing" to the cookies with Nuvo Crystal Drops colors: Duck Egg, Party Pink and Bottle Green. She added even more dimension by raiding the ribbon stash at Scrapmania to find coordinating colors to go with the album.

You will love this vibrant, retro album that your family or friends can enjoy for years to come!

Here is a link to the video Stacy shared of the Christmas album!
