Be sure to Save the Date for our next INDOOR Scrapmania Crafty Garage Sale! Customers mark their treasures they no longer use, then we organize it all in our HUGE store, and you get to come SHOP!!! It's a win, win for sellers and shoppers!

What kinds of things do we usually have-thousands of stamps, die cutting machines, Cricuts & cartridges, dies, trimmers, yarn, punches, paper, storage, ribbon, embellishments, tools-pretty much EVERYTHING CRAFTY! This is a great way to stock up on creative stuff without blowing the bank!

Sunday & Monday are both half price days, so make sure to come in at least twice, on a regular price day, and again on half price day! There will be a new video posted on Facebook everyday showing how much is left at the sale. You NEVER MISS OUT on the good stuff by missing the first couple days! We get so much, there is ALWAYS still good stuff left, I promise!

Do you want to SELL your stuff you no longer use? GREAT--You purchase a seller number for \$5.00, that number is yours for future garage sales too, if you choose to keep participating, just reactivate your number at each sale. **80% of what you make gets saved into our computer system as store credit that DOES NOT EXPIRE! The remaining 20% is used to cover my additional help at the store, as well as my credit card processing fees.**

There are a few rules sellers must abide by: Use a 3x5 index card that includes seller #, price, & item description. Only clean, non-broken items, you know the good stuff that other people want! We don't want to be thought of as a junk sale, as we always have fantastic items! Once the sale is over, we organize the seller's items back into boxes, and you pick up the leftovers, hopefully you have none! We always have new sellers at each sale, which keeps things fresh! Stop by Scrapmania for a complete list of rules. Items can be dropped off starting 5 days before the sale and must be picked up in the 3 days after the sale ends unless you would like them donated.

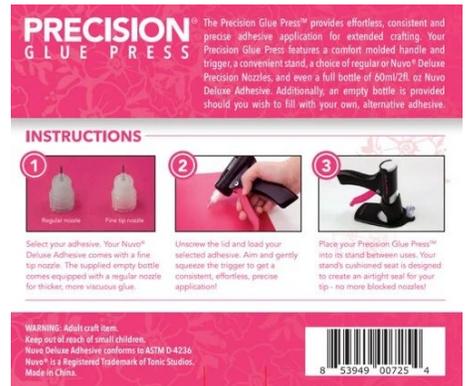

Any questions, please feel free to ask!

Kiwi Lane®

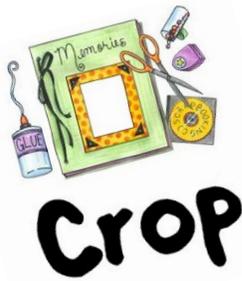

Linda loves this new Party scrapbooking kit!! Here is what she created for her youngest and oldest grandkid's birthday party at the trampoline park this past July. She used Doodlebug Halloween paper...yep, it was perfect coloring and patterns for the bright pictures. Paper is available at Scrapmania (319)377-9999. She also used a hole punch for the top of the borders and then added gems in the holes. And check out the twine around the flower center as well as the balloon strings. Linda can't wait to use this set for more projects...Bridal shower, Baby Reveal, & Retirement... Kiwi Lane templates can be purchased at: <https://kiwilane.com/share/247200/>

Scrapmania Design Team

Jennifer's First Card for August

Jennifer stamped and partially die-cut the polka-dot hello from the Taylored Expressions Big Hello set. The background panel is swiped with watercolor paints and sort of mimics a city skyline, especially with the gold metallic paint spatters looking like twinkling stars. The small piece with the partial die-cut was mounted on foam and then adhered to the bottom panel.

Jennifer's Second Card

Jennifer placed the Taylored Expressions Mini Slim Masking Stencil on the kraft panel and stamped the Taylored Expressions Gathered Greenery image using white pigment ink and white embossing powder so that the pattern is only on the inside of the masking stencil. She then used a blending foam to blend a little white ink

around the inside edge of the masking stencil. The flowers and leaves were cut from Spellbinders Be Bold Blooms and placed in opposing corners. The sentiment is from Taylored Expressions Big Hello.

Jennifer's Third Card

Jennifer went big and bold with her third card using the Taylored Expressions Big Hello set. She stamped and cut the script hello and then inlaid it into a piece of black card stock that had been die-cut with the hello die. She added the friend sub-sentiment in gray ink and a red clay heart for a little pop of color.

LET'S GO EXPLORE TOGETHER

Toni chose a zoo theme for this month's Design Team. She used Echo Parks Little Explorer collection pack along with Doodlebugs Puffy Shapes in Tangerine Hearts and Sizzix Limoncello Sequins and Beads. She started by layering patterned papers

for the background and then made a shaker by fussy cutting one of the cut apart papers from the paper collection and using the Sizzix Sequins. She then matted her pictures using paper from the collection pack and adhered them to the background. Then she had fun adding ephemera from the sticker pack with foam squares for added dimension. Once that was done, she completed the layout with puffy hearts and glued more of the Sequins onto the page to help draw your eye throughout the layout.

ADVENTURE AT THE ZOO

Toni started this design with the adorable "Into the Wild" collection by Simple Stories. She had fun trying different paper configurations until she decided on this one. She added some dimension by using The Crafters Workshop Stencil Butter in the colors Terre Verte and Green Pear. These butters are amazingly smooth and easy to work with and glide just like... melted butter! She

mixed these butters on her crafting spatula and applied them to the Taylored Expressions slim stencil with the Tropical Leaves design. After that she matted her pictures with papers from the collection and adhered them. Next was the fun part of adding ephemera from the sticker page using foam dots. She also made the title using ephemera from the sticker sheet as well. These pages were cute and simple to make but will still pack a big punch when flipping through her daughter's scrapbook in the future thanks to the use of layering multiple papers that help catch the eye and a fun unexpected element in each, such as the shaker in the first layout and the stenciling in the second!

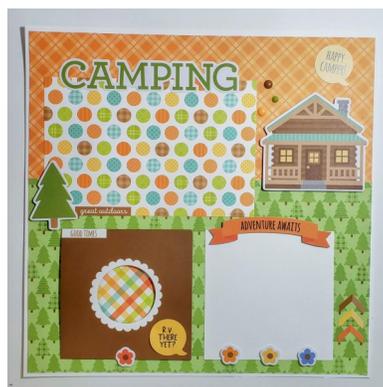

For Karen's August project, she decided to go with a camping/outdoorsy theme to create a couple of fun and colorful scrapbook pages. She used Doodlebug's Great Outdoors collection kit, Chit Chat, Odds & Ends, Sprinkles and the envelopes and cards set, along with some of the Doodlebug matching patterned papers.

For her first page, Karen used four different Doodlebug Plaid-Polka Dot papers and cut them into squares. She then cut each square into a triangle and placed them on a white piece of cardstock in a pinwheel pattern. She then used assorted collection kit papers and ephemera pieces to create four different scenes: fishing, hiking, camping and campfire, to be placed on top of the pinwheel pattern.

For her second page, Karen used some of the same patterned paper as in the first layout so both pages would match and also added some more ephemera pieces and enamel dots. She used one of the blank card bases trimmed down slightly and created a flip-up interactive element to this page.

Karen also used her We R Memory Keepers Sticky Folio for the first time while creating these pages, and says it was absolutely perfect to use for the smaller ephemera pieces, instead of having to apply glue or tape runner and try not to get it all over.

Both pages were fun to create and are so colorful and perfect to showcase photos of outdoor activities!
