

November 2022

## Outreach Report

For a number of years Trinity Church has partnered with Beaupre Elementary School to provide holiday presents for children and their families in need of support. This year we will be giving gifts for 14 families with a total of 22 children elementary age or younger.

To do this, we will have an "Angel" decoration on the Christmas tree with information for each child on **Sunday, November 27th**. If you are unable to come attend church on this Sunday but would like to have one of the angels for a child, please let contact Marilou Clohessy (at 630-898-8229 or [mmclohessy@sbcglobal.net](mailto:mmclohessy@sbcglobal.net)) and we will save an Angel for you. Monetary donations are also welcomed and can be given online at [trinityaurora.org](http://trinityaurora.org) and scroll to **Angel tree: Gifts for children**. Because of the wonderful generosity of this parish, we have also been able to provide gift cards for the families. We ask that all gifts and money be received by **Sunday, December 11th**.

Thank you for supporting this project and helping the children and families to have a special Christmas!
