

THE NEIGHBOR BOX

Over a year ago The Neighbor Box was donated to Trinity with the promise that it would always be stocked with food for needy people in our neighborhood. That donor stopped supplying the Neighbor Box about nine months ago. It is currently empty except for a few dented cans of vegetables.

When Trinity's Outreach Committee last met, they decided that this worthwhile project might be something that the Congregation would support and decided to give it a go.

How can you help?

1. By routinely donating non-perishable food to stock the Box
2. By donating money which the committee will use to purchase non-perishable food to stock the Box. You can donate by check or by going to the Neighbor Box donation tab on our wwebsite; www.trinityaurora.org on the Online Giving page.
3. By assisting committee members purchase food and stock the Box.

Non-perishable items can be donated in collection boxes at the back of the Church.

Suggested non-perishable items include but are not limited to:

Canned: fruit, veggies, beans, soup, stews, fish, meat
Peanut butter
Fruit juice individual servings
Fruit cups such as apple sauce
Baby food
Water
Pairs of stockings
Personal hygiene: toothpaste, deodorant, shaving cream, tooth paste, combs, hairbrushes.

Trinity hosts many squirrels who love to scratch open boxes of food, so be mindful of items they can steal.

We thank you for your support.
