Dear Site Chairpersons,

In this season of Thanksgiving, we want to thank you for your continuing support of the important work of the Day of Caring.

With your help and support over the past 30 years, the Day of Caring Pancake Brunch has evolved as a tradition in the Miami Valley. Through your efforts, Day of Caring has been able to support local food banks and emergency housing coalitions.

This year poses a unique challenge for us, as we understand your obligation at each site to comply with orders intended to reduce the risk of increasing the spread of COVID 19. Due to the restrictions on the numbers of persons who can gather, we need to “think outside the box” this year to ensure that the support our community food banks have come to enjoy through our collective efforts can be there when they need it.

For that reason, this year we are asking each of our sites to consider sponsoring a “Day of Caring Day of Giving” on Sunday, February 28, 2021, in place of our usual “Day of Caring Pancake Brunch.”

This year, more than any year in our past 30 years, the needs for food and shelter for the hungry and homeless need our support.

Your feedback is vitally important to us, and so we would ask you to let us know if you will be able to support our “Day of Giving” on February 28, 2021.

Donations collected on the “Day of Giving” should be sent, as you have in the past, to Day of Caring P.O. Box 341453 Beavercreek, OH 45434. Checks should be made out to “Day of Caring.” All monies collected will be returned to the local communities through their local food banks and emergency housing coalitions.

We look forward to having our Day of Caring Pancake Brunch return in February 2022, and we hope you will continue to partner with us when we return to our Miami Valley traditions. We have an exciting event planned for the Fall of 2021 in the lead up to our Gala celebration now planned for 2022. We will send details as soon as they are final. We also hope that conditions will be such that you will be able to join us for our Day of Caring Gala in 2022

We welcome your questions, and your concerns. Please feel free to contact us either by email: dayofcaring20@gmail.com or telephone (937) 708-8011. I look forward to hearing from you.

Best Regards,

Hans I Marlette, Executive Director
