Appleby Castle is situated less than 2 miles from the park, and shorter than a 10 minute walk.

This spectacular motte and bailey castle has been held by the Kings of England and Scotland and boasts one of the few remaining intact Norman keeps.

# EXPLORE

The park is surrounded by all kinds of fun outdoor and indoor activities.

As well as you, we also welcome your furry friends on to our park to enjoy the countryside with you.

Lying on the edge of the Roman Road, our park is just a stones throw away from scenic bridleways, public footpaths & adventurous cycle routes.

We are within walking distance of Brampton & Dufton Ghyll, whether it's a hike up Great Dunn Fell, Dufton Pike or High Cup Nick, or a weekend lounging around in the nearby Appleby Mannor Spa, or a quick round of golf at the local golf club Appleby won't fail to keep you busy.

And that's not it all.... if you are bringing the family, you could pop down to Appleby Swimming Pool or venture just that little bit further to Lowther Castle, where you can explore the lost castle play area and gardens.

On your way home you could stop off for an ice cream at Abbot lodge Farm, with a play on their play area's or for those rainy days you could take a trip to Kirkby Stephen on the Settle to Carlisle railway for a play at Platform 3 soft play.
