Dear Sponsor,

Candia Old Home Day is seeking sponsors for this year's event on Saturday, August 24, 2019. We have created a number of exciting sponsorship opportunities and hope that you will decide to sponsor Candia's Old Home Day celebration this year.

An Old Home Day celebration has been organized in Candia for many years, in previous years approximately 2,000 people attended the event throughout the day. We use sponsorship proceeds to help defray the costs of the celebration.

Your participation as a sponsor will get your name out to members of the community. This year we are offering select businesses an opportunity to participate at one of the following sponsorship levels:

**Bronze Level:** Your \$500.00 contribution will include a quarter page ad in our program book.

**Silver Level:** Your \$750.00 contribution will include a quarter page ad in our program book, and list your company on our website.

**Gold Level:** Your \$1,200.00 contribution will include a quarter page ad in our program book, we will display your company name around Candia on our event posters, list your company on our website and announce your name as a sponsor every hour throughout Old Home Day. (This gets your name out to attendees a minimum of five times!!)

To become a sponsor or to make a donation, simply complete the form below and include your payment. Checks can be made out to Candia Old Home Day. We hope you will consider becoming a sponsor of this popular community event.

Warm Regards,

Hannah Lewis
