## PRESIDENT'S MESSAGE

It almost did not come about, but with the courage of many patriots, we formed the first democracy, actually a republic, in almost two thousand years. We will never know the exact cost in lives, energy, fortunes, and suffering that it took to form this United States. Thirteen very different colonies joined together to form the United States of America.

When I was growing up, I discovered a book on our family bookshelf that was entitled, "The Story of America in Pictures". The book begins with three pictures of the Indians of North America in the Forest, in the Plains, and in the West. It goes on to show in pictures ten periods of the history of our country. Each picture has an explanation of what one is seeing. I was fascinated with this book, and I would thumb through the pages and study it for hours. I was very young, and for some reason this book made a lasting impression on me. After my father died my mother broke up our home. That was years ago, and she moved around several times. Somehow In all those years, I still ended up with the book. The last picture is entitled, "Television Begins". The book was published in 1940. Thus, it does not include the last eighty-five years. I wonder what pictures the editor would have used if it was published today.

I used to drive my family crazy when we were on a trip. I would have to stop at all the historical markers along the highway. When we lived in Sacramento, I collected gold miner pans and tools. We lived a mile from an old cemetery where one of the members of the Lewis and Clark Party is buried. In the same cemetery was buried Elitha Donnor who survived that terrible winter in the California High Sierras. I visited both graves. When I was twenty-two, I hitch hiked all through Europe visiting as many historical sites as possible. I have a piece of the Berlin Wall sitting on my shelf. My wife and I led five trips to Israel, and there I was overcome with all the history and of course, I brought some of it home.

There is history all around us, it's In St. Augustine, Oviedo, Winter Springs and even here in Tusawilla. We can learn a great deal about studying our past. But the trouble is that we don't, and we go on to repeat the same mistakes. Marcus Gavey says that, "A people without knowledge of their past history, origin and culture is like a tree without roots." We have roots in America. It is important for all of us to study the foundational principles that shaped our country and that have given it the basis to continue on all these years. This month we celebrate the two-hundred and forty-ninth year of the founding of our country. In spite of what some people may believe, we live in a great country, and each of us needs to do our best to keep it that way. Happy Fourth of July!

## EDITOR'S NOTES

### JULY IN CENTRAL FLORIDA: SUMMER, SUNSHINE, AND COMMUNITY SPIRIT

July in Central Florida is a time when sunshine, family fun, and community pride take center stage. From backyard barbecues to evening fireworks, this month is full of reasons to come together and celebrate everything that makes life in our region special.

Of course, the highlight of July is Independence Day. Cities and towns across Central Florida, including our own Winter Springs, host patriotic events that draw crowds of all ages. Our Celebration of Freedom is a perfect example, an evening filled with music, food, and fireworks that brings neighbors together in the spirit of unity and gratitude. It's a moment to reflect on the freedoms we enjoy and the people who protect them, including the many veterans and active-duty military families who call Central Florida home.

But July is more than just the Fourth. It's a month of warm days, lazy afternoons, and making memories with family and friends. Whether it's tubing down the Ichetucknee River, enjoying a day trip to the coast, or visiting one of Central Florida's many springs and parks, there's no shortage of

ways to beat the heat and appreciate the natural beauty that surrounds us.

For many families, July also means summer break; a time to slow down, reconnect, and recharge before the hustle of the school year returns. It's a chance to enjoy everything our local communities have to offer, from farmers markets and splash pads to summer concerts and festivals.

So whether you're traveling or staying close to home, let July be a reminder of why Central Florida is such a wonderful place to live, full of sunshine, freedom, and neighbors who care.

## THOA MEMBERSHIP MEETING BRINGS NEIGHBORS TOGETHER FOR COMMUNITY UPDATES AND PUBLIC SAFETY INSIGHTS

Our 2025 Tuscowilla Homeowners Association Membership Meeting was a tremendous success, bringing neighbors together for an evening of valuable updates, meaningful connections, and timely public safety information.

We were honored to welcome Captain Nick Romano of the Winter Springs Police Department as our guest speaker. Captain Romano delivered an engaging and practical presentation focused on how residents can protect themselves from fraud and scams, a growing concern that impacts communities across Central Florida. His tips were straightforward, actionable, and essential for all of us to keep in mind.

Following his presentation, Captain Romano was joined by Winter Springs Mayor Kevin McCann for an open-floor question-and-answer session. Residents appreciated the opportunity to ask candid questions on a wide range of topics, not only about crime prevention and police

department initiatives, but also about other pressing issues facing our city and neighborhood. From road projects to growth management, our community members were able to receive direct answers from two of our city's most trusted leaders.

The evening highlighted the importance of staying informed and engaged. Events like these help build a safer, stronger Tuscowilla by fostering open dialogue between residents and our local leaders. It's through this type of collaboration that we can continue to protect the character of our community while addressing the challenges that come with growth.

We extend our thanks to Captain Romano, Mayor McCann, the Winter Springs Police Department, and all the residents who took the time to attend. Your participation strengthens our shared mission to keep Tuscowilla a wonderful place to live.

# LOCK IT OR LOSE IT

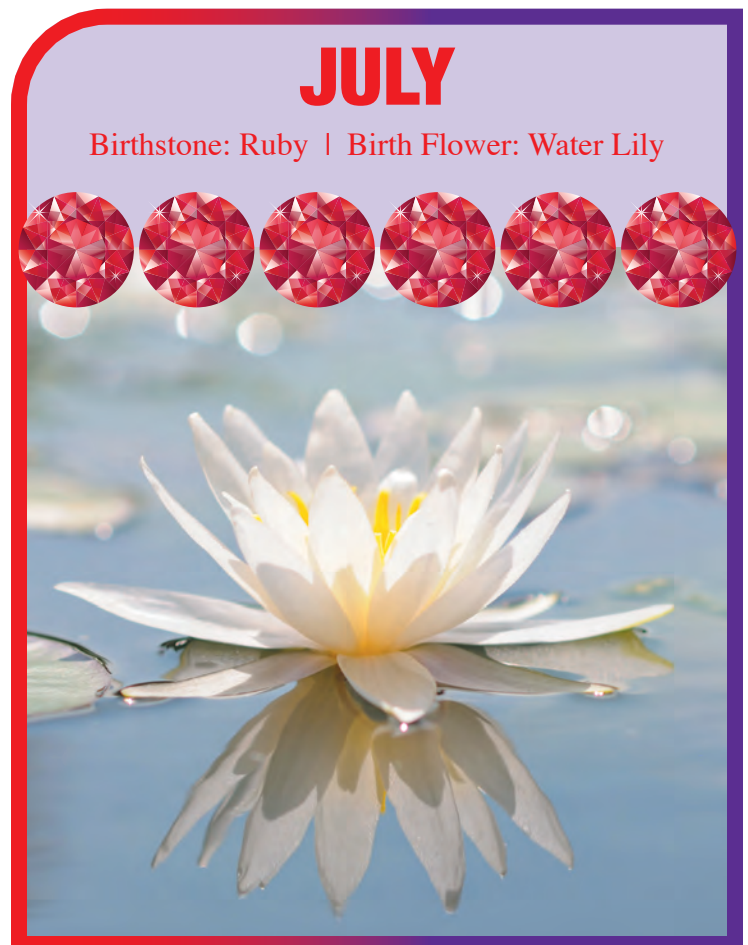

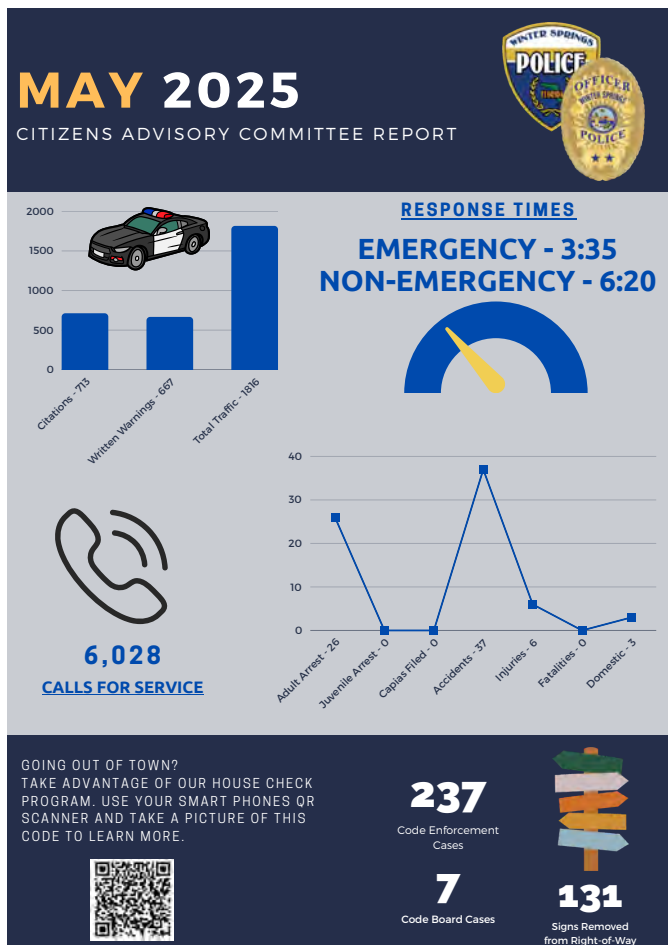

Half of the events in Winter Springs involved unlocked cars or car drivers who left valuables in plain view without locking the doors. Many of these crimes can be prevented with some simple, common-sense actions on our part.

Here are a few crime prevention tips to help keep us from becoming the victim of a burglary or theft.

- Always secure your car doors when parking your vehicle, even for only a few minutes. It takes just a matter of seconds to enter an unsecured vehicle.
- Do not leave valuables such as purses, cell phones, packages etc. in plain view inside your vehicle. Secure

them in a glove box, center console or trunk. Thieves will search for other vehicles that are easier targets if they do not see anything of value in your car.

- Park in well lit areas at night. Light is an enemy for thieves.
- Be suspicious of anyone approaching your vehicle or that appears to be roaming your neighborhood.
- Notify Winter Springs Police of any suspicious activity. "If you see something, say something". Social media IS NOT a method for reporting suspicious activity.

# VETERANS CORNER

## Honoring Service and Sacrifice This July

As we celebrate Independence Day this July, we're reminded that the freedoms we enjoy were hard-won through the dedication and sacrifice of those who have worn our nation's uniform. Central Florida is home to a proud and diverse community of veterans, from World War II heroes to the newest generation of service members returning home. Their stories of courage and resilience form the bedrock of our nation's history and our community's strength.

In July, our region hosts a number of patriotic celebrations, including Winter Springs' own "Celebration of Freedom." While fireworks light up the sky, it's worth remembering the veterans in our neighborhoods for whom the meaning of this holiday runs deep. For many, Independence Day isn't just about barbecues and parades, it's a time of reflection, pride, and even quiet remembrance of brothers and sisters in arms.

If you know a veteran, take a moment this month to thank them not just for their service, but for continuing to enrich our community in countless ways. Many volunteer, mentor, and lead civic efforts across Central Florida. Their mission of service didn't end when the uniform came off.

Let's also remember those deployed overseas and the families waiting for their safe return. Their sacrifice continues today.

To our veterans in Tusawilla and beyond: we see you, we thank you, and we honor you this July and every day.
