New Tent Design For 2024

This year we've taken the plunge and provided a completely new tent design for our Moroccan themed tent.

Meet the new Luna 5m bell tent supplied by Boutique Camping.

This new design has allowed us to completely change the layout of the tent making the space so much more social.

The high sides allow for so much more room in the tent.

We've added proper bed frames so no more sleeping on the floor!!

Don't worry though the tent still has an abundance of fairy lights, a heater to keep off the chill and electricity to charge your mobile phone.

Priced from £117 per night with our 2024 10% off birthday offer.

Availability throughout the summer holidays.

Book early to avoid disappointment - www.kitscotyglamping.co.uk

The question is what should we change it to and what theme should we go for?

There are so many options on the market that we'd like your suggestions as to what you would like to see here at KCG!!
