2. What kind of response can I expect to my request?

- Within five business days after receiving a FOIA request, the Lake Board will issue a response. If a request is received by fax or email, the request is deemed to have been received on the following business day. The Lloyd's Bayou Lake Board will respond to your request in one of the following ways:
 - Grant the request;
 - Issue a written notice denying the request;
 - Grant the request in part and issue a written notice denying in part the request;
 - Issue a notice indicating that due to the nature of the request the Lake Board needs an additional 10 business days to respond; or
 - Issue a written notice indicating that the public record requested is available at no charge on the Lloyd's Bayou Lake Board's website.

3. What are Lloyd's Bayou Lake Board's deposit requirements?

- If the Lake Board has made a good faith calculation that the total fee for processing the request will exceed \$50.00, the Lake Board will require that you provide a deposit in the amount of 50% of the total estimated fee. When the Lake Board requests the deposit, it will provide you a non-binding best efforts estimate of how long it will take to process the request after you have paid your deposit.
- If the Lake Board receives a request from a person who has not paid the Lake Board for copies of public records made in fulfillment of a previously granted written request, the Lake Board will require a deposit of 100% of the estimated processing fee before it begins to search for the public record for any subsequent written request as allowed by law.
- If a deposit is not received by the Lake Board within 48 days from the date that the notice of deposit requirement is sent, and if the requesting person has not filed an appeal of the deposit amount, the request shall be considered abandoned by the requesting person and the Lloyd's Bayou Lake Board is no longer required to fulfill the request. must include notice of the date by which the deposit must be received, which date is 48 days after the date the notice is sent.

4. How does the Lloyd's Bayou Lake Board calculate FOIA processing fees?

The Michigan FOIA statute permits the Lake Board to charge for the following costs associated with processing a request:

- Labor costs associated with copying or duplication, which include making paper copies, making digital copies, or transferring digital public records to non-paper physical media or through the Internet.
- Labor costs associated with searching for, locating and examining a requested public record, when failure to charge a fee will result in unreasonably high costs to the Lake Board.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure, when failure to charge a fee will result in unreasonably high costs to the Lake Board.
- The cost of copying or duplication, not including labor, of paper copies of public records. This may include the cost for copies of records already on the Lake Board's website if you ask for the Lake Board to make copies.
- The cost of computer discs, computer tapes or other digital or similar media when the requestor asks for records in non-paper physical media. This may include the cost for copies of records already on the Lake Board's website if you ask for the Lake Board to make copies.
- The cost to mail or send a public record to a requestor.

Labor Costs

- All labor costs will be estimated and charged in 15-minute increments, with all partial time increments rounded down. If the time involved is less than 15 minutes, there will be no charge.
- Labor costs will be charged at the hourly wage of the lowest-paid Lloyd's Bayou Lake Board employee capable of doing the work in the specific fee category, regardless of who actually performs work.
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits. Lloyd's Bayou Lake Board may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits.
- Overtime wages will not be included in labor costs unless agreed to by the requestor; overtime costs will not be used to calculate the fringe benefit cost.

Lloyd's Bayou Lake Board Ottawa County, Michigan

Public Summary of FOIA Procedures and Guidelines

- Contracted labor costs will be charged at the hourly rate of six times the state minimum hourly wage.

A labor cost will not be charged for the search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the Lake Board. Costs are unreasonably high when they are excessive and beyond the normal or usual amount for those services compared to the Lake Board's usual FOIA requests, because of the nature of the request in the particular instance. The Lloyd's Bayou Lake Board must specifically identify the nature of the unreasonably high costs in writing.

Copying and Duplication

A person making a request may stipulate that the public body's response be electronically mailed (email), delivered by facsimile (fax), or delivered by first-class mail, and the Lloyd's Bayou Lake Board will comply unless the Lake Board lacks the technological capability to provide an electronically mailed or facsimile response.

A person may request that public records be provided on non-paper physical media, emailed or otherwise provided to him or her in digital form in lieu of paper copies. The Lake Board will comply with the request only if it possesses the necessary technological capability to provide records in the requested non-paper physical media format.

The Lake Board must use the most economical method for making copies of public records, including using double-sided printing, if cost-saving and available.

Non-paper Copies on Physical Media

- The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
- This cost will be charged only if the Lake Board has the technological capability necessary to provide the public record in the requested non-paper physical media format.

Paper Copies

- Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed \$.10 per sheet of paper.
- Copies for non-standard sized sheets of paper will reflect the actual cost of reproduction.

Mailing Costs

- The cost to mail public records will use a reasonably economical and justified means.
- The Lake Board may charge for the least expensive form of postal delivery confirmation.
- No cost will be made for expedited shipping or insurance unless you request it.

Waiver of Fees

The cost of searching for and copying of a public record may be waived or reduced if in the sole judgment of the FOIA Coordinator a waiver or reduced fee is in the public interest because it can be considered as primarily benefitting the general public. The Lloyd's Bayou Lake Board may identify specific records or types of records it deems should be made available for no charge or at a reduced cost.

5. How do I qualify for an indigence discount on the fee?

The Lloyd's Bayou Lake Board will discount the first \$20.00 of fees for a request if you submit an affidavit stating that you are:

- Indigent and receiving specific public assistance; or
- If not receiving public assistance, stating facts demonstrating an inability to pay because of indigence.

You are **not** eligible to receive the \$20.00 discount if you:

- Have previously received discounted copies of public records from the Lloyd's Bayou Lake Board twice during the calendar year; or
- Are requesting information on behalf of other persons who are offering or providing payment to you to make the request.

An affidavit is sworn statement.

6. Can a nonprofit organization receive a discount on the fee?

A nonprofit organization advocating for developmentally disabled or mentally ill individuals that is formally designated by the state to carry out activities under Subtitle C of the Federal Developmental Disabilities Assistance and Bill of Rights Act of 2000, Public Law 106-402, and the Protection and Advocacy for Individuals with Mental Illness Act, Public Law 99-319, may receive a \$20.00 discount if the request meets all of the following requirements in the Act:

- Made directly on behalf of the organization or its clients.
- Made for a reason wholly consistent with the mission and provisions of those laws under Section 931 of the Mental Health Code, 1974 PA 258, MCL 330.1931.
- Accompanied by documentation of its designation by the state, if requested by the public body.

The appeal must specifically state the word “appeal” and identify how the required fee exceeds the amount permitted.

The Lloyd’s Bayou Lake Board is not considered to have received a written appeal until the first regularly scheduled Lloyd’s Bayou Lake Board meeting following submission of the written appeal. Within 10 business days after receiving the appeal, the Lake Board will respond in writing by:

- Waiving the fee;
- Reducing the fee and issuing a written determination indicating the specific basis that supports the remaining fee;
- Upholding the fee and issuing a written determination indicating the specific basis that supports the required fee; or
- Issuing a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the Lake Board will respond to the written appeal.

Within 45 days after receiving notice of the Lloyd’s Bayou Lake Board’s determination of the processing fee appeal, you may commence a civil action in Ottawa County Circuit Court for a fee reduction. If you prevail in the civil action by receiving a reduction of 50% or more of the total fee, the court may award all or an appropriate amount of reasonable attorneys’ fees, costs and disbursements. If the court determines that the Lloyd’s Bayou Lake Board acted arbitrarily and capriciously by charging an excessive fee, the court may also award you punitive damages in the amount of \$500.
