▶ PROFILE

As the VP of Operations at Rental Solutions and Events LLC, I lead the shop team in preparing, repairing, maintaining, and overseeing loadouts for each project. I collaborate with the repair team to handle service calls and maintenance schedules nationwide. I demonstrate leadership both in the shop and on location, ensuring that all trailers, facilities, and equipment are fully operational. I work closely with the Sales Manager and Project Manager to ensure customer satisfaction and exceed expectations with our equipment and services. I am available 24/7 for any service or repairs.
