

Mobile Kitchen Solutions, Division of Rental Solutions and Events LLC Announces the signing of a two-year contract providing services to the Las Vegas Grand Prix

September 10, 2024

Tom Brown Jr, President of Sales and Operations states Mobile Kitchen Solutions is working with our manufacturer to provide thirteen fully equipped mobile kitchen trailers built to our customer's specifications for the Nevada-based 2024 and 2025 racing seasons.

Our mobile trailers will be fully functional kitchens with fire suppression systems, climate control, ovens, ranges, fryers, sinks refrigeration, and freezer equipment. MKS also is providing large walk-in Refrigeration units to support the kitchen compound.

Ed Asher, National Sales Manager, and Jerry Stroup, National Operations Manager will collaborate with our client up to and throughout these events to provide the equipment and services for a seamless and successful event.

Tom Brown Sr, CEO of RSE and MKS states “We are proud to work with the Grand Prix on this event and future projects in the motorsports and entertainment industry nationwide.” Rental Solutions continues to expand its inventory and brand nationwide, providing Mobile Kitchen Structures, trailers, and modular units for the Sports, Hospitality, Event, and Emergency Relief Industries including temporary kitchen and dining facilities during short- and long-term building/kitchen renovation projects.

About Mobile Kitchen Solutions:

Mobile Kitchen Solutions is a nationally recognized company specializing in temporary kitchen solutions for renovations, events, and disaster relief. A committed team of experts provides the skills to help clients choose from a wide range of innovative equipment and industry-leading customer turnkey services. From temporary kitchens to mobile dishwashing and refrigeration, Mobile Kitchen Solutions is renowned for its commitment to customer service and satisfaction. RSE/MKS currently provides rentals and support for nationally recognized events including the Kentucky Derby, Nasar, Western Southern Open, and MX Supercross; along with private, public, and government projects nationwide.
