To whom it may concern:

I am writing to give a recommendation for Mr. Jerry Davis.

I have known Jerry for almost 2 decades. We met at a football officials conference and have been friends ever since. I know Jerry personally as a friend, and also as a football official, as we worked 3 seasons together on the field. Jerry is an extremely hardworking and honest individual. He has great character and integrity and always puts others needs before his own. He is a great family man and has always been one of the most responsible friends I have.

Sincerely,

*Jerry Walter*
