Days 1, 2	Hilton Anchorage, Anchorage, Alaska
Day 3	Talkeetna Alaskan Lodge, Talkeetna
Days 4 – 7	Pikes Waterfront Lodge, Fairbanks, Alaska

On some dates alternate hotels may be used.

Day 1: Monday, March 10, 2025 Anchorage, Alaska - Tour Begins Your journey starts in Anchorage, a city on the edge of the snowcapped Chugach Mountains and 60 sparkling glaciers. This is your gateway to wilderness and adventure.

Day 2: Tuesday, March 11, 2025 Anchorage - Winter Glacier Cruise - Anchorage Head to Whittier and embark on an incomparable glacier cruise of Prince William Sound, narrated by an expert guide. Blue skies collide with stark white glaciers, and playful otters dip in and out of the calm waters. Embrace the sheer magnitude of Alaska's natural beauty as you venture through a geological wonderland. Feel like a true explorer during a beach landing.* In the evening, gather with new friends for a welcome dinner in a local restaurant. (B, L, D)

Day 3: Wednesday, March 12, 2025 Anchorage - Palmer - Talkeetna Take a step into the past when you visit Musk Ox Farm. Learn about the Musk Ox project – a sustainable domestication effort that has worked to preserve, protect, and increase awareness for these woolly creatures since 1954. Continue on to Talkeetna as Denali, North America's tallest mountain, looms large over the landscape. Perhaps you will take an optional flightseeing tour and experience a breathtaking perspective of Denali. Check into the iconic Talkeetna Alaskan Lodge, perched on a ridge offering unforgettable views of Denali. Later, perhaps you will spend some time on the Lodge's expansive deck; a great place to search for the Northern Lights, or just enjoy some hot cocoa by the roaring fireplace in the great room. (B, D)

Day 4: Thursday, March 13, 2025 Talkeetna - Alaska Railroad - Fairbanks Begin your day with a lecture on the down-to-earth Alaskan lifestyle before hopping on Alaska Railroad's Aurora Winter Train for a full-day journey to Fairbanks. Sit back and relax as you are whisked away, through snow-covered mountains and striking valleys. Have your cameras ready – the train conductor will point out wildlife as you pass by. Dinner is included in the train's dining car. This evening you arrive in Fairbanks, your home for the next three nights and one of the best places in Alaska to see the northern lights. (B, D)

Day 5: Friday, March 14, 2025 Fairbanks Enjoy a full day at leisure in the city of Fairbanks. Take this opportunity to relax or flex your sense of adventure with optional excursions: consider flightseeing to the Arctic Circle. Late this evening, chase the legendary northern lights, considered to be one of the most amazing natural spectacles in the world. Walk out in the snow under an unspoiled bed of stars and search for the shimmering hues of purple and green. (B)

Day 6: Saturday, March 15, 2025 Fairbanks Feel the brisk air and discover Fairbanks, the perfect combination of nature and civilization. Look into the past at the Antique Auto Museum, where vintage cars sit between timely artifacts and fashionable designer dresses from times gone by. Hop in a car yourself, throw on some flapper accessories, and pose for a perfect souvenir snapshot. In the afternoon, embrace the Iditarod spirit and try your hand at dog mushing, stepping into a sled with an expert guide and gliding over the snow with your very own pack of sled dogs. Stay for dinner at the kennel owner's home and learn more about what the life of a musher is like. Later in the evening, enjoy a final chance to spot the northern lights. (B, D)

Day 7: Sunday, March 16, 2025 Fairbanks - Tour Ends Enjoy a relaxing morning before heading to the Museum of the North, the University of Alaska's collection featuring 2.2 million years of biodiversity and thousands of years of human history. The remainder of your day is at leisure. A day room has been extended for your use before your transfer to the airport. (B)

IDENTIFICATION

Travel within USA

For travel completed by May 6, 2025, all airlines will ask for identification when you check in. It is recommended that you carry a passport if you have one. A driver's license (with a photo I.D.) is also acceptable for domestic flights.

Effective for travel May 7, 2025 forward, the REAL ID Act standards for identification while travelling will be in effect. This means a standard issued driver's license used as a form of identification will no longer be accepted for domestic air travel within the United States. Instead, a Real ID compliant form of identification must be presented both at the time of booking air travel with Collette and upon checking in at the airport to board any flight. Any fees associated with changing a reservation resulting from a non-compliant identification will be the responsibility of the guest. For more information on Real ID, please visit the Department of Homeland Security website: <https://www.dhs.gov/real-id>

Single accommodations are limited and are available on a first come, first served basis.

Temperatures in February and March can be quite cold. Anchorage averages a high of 20 degrees Fahrenheit (-7 degrees Celsius) / low of 11 degrees Fahrenheit (-12 degrees Celsius.) Talkeetna and Fairbanks average a high of 12 degrees Fahrenheit (-12 degrees Celsius) / low of -13 degrees Fahrenheit (-25 degrees Celsius.) It is strongly recommended that guests dress appropriately for Arctic weather.

The best time to see the northern lights is from late August through April and this itinerary was designed with a multiple-night stay in Fairbanks to enhance this opportunity. However, this is weather dependent, and sightings of the northern lights are not guaranteed.

The lunch on Day 2 will be a boxed lunch so you can enjoy it on your Glacier Cruise.

Travel with just 16-24 guests on this tour where a smaller group setting means a more personal travel experience.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to

provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

*Beach landings are weather dependent.

The overall activity level of this tour is a level 4. This means you're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and hiking are things you may enjoy) and few thousand steps a day isn't out of the norm. You can handle longer walking tours (more than 90 minutes), traversing dusty or uneven terrain, standing for periods of time, varying altitudes and temperatures, and don't mind being on the go with some early starts, late-night experiences, and full days. Unfortunately, this tour is not appropriate for individuals who use wheelchairs or walkers. Travelers should expect temperatures from 26° to -1°F and plan on being outdoors for a number of included activities. You should be prepared to navigate cities with heavy snow on the ground. Suitable outdoor gear will be available for rental prior to your tour departure at an additional cost.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Due to tour scheduling, return flights should not be scheduled prior to 3:00 p.m.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

A deposit of \$698 per person is due upon reservation. Reservations are made on a first come, first served basis. Reservations made after the deposit due date of August 03, 2024 are based upon availability. Final payment due by January 09, 2025. Deposits are refundable up until August 10, 2024.

Experience It! Aurora Borealis - Northern Lights

Due to its close proximity to the Arctic Circle, Alaska is one of the best places to see the Aurora Borealis – better known as the northern lights. This natural phenomenon is the product of collisions between electrically charged particles from the sun that enter the earth's atmosphere, yielding spectacular results. Streaks of colorful light that change from white to pink to purple, and most commonly, to green, dazzle and move through the open sky like nature's own lightshow. The best time to see the northern lights is from late August through April. This is weather dependent, but the nights are the longest during these months which increases your chances of seeing the lights.
