

A decorative border of watercolor-style flowers and leaves in various colors (pink, orange, yellow, green, blue, purple) surrounds the text.

Dear Patient,

Our clinic will be closed for the summer from July 20th - September 29th, 2026.

Should you require nutritional supplements during this time, please pre-order them at the clinic so you have enough during the time we are away in the summer. If for some reason you are unable to do so, you can order most products on-line at [www.VitePro.ca](http://www.VitePro.ca)

For pharmaceutical prescriptions, please ensure you have enough refills to cover the times we are away.

We wish you the best of health and the most joyous summer. 🌸

Dr. Kathy Graham ND and Will Graham
