Hedgehogs: We're working with the amazing team at Andrew's Hedgehog Hospital, based up the road in Appleby, supporting their valuable work through the event!

Your support: We have 450 runners running 13.1 miles.

We would really appreciate you popping out of your house, and cheering our runners on. It makes a huge difference and really shows off how great our village is! You can create good luck signs, put some music on, or even **get in touch if you want to help marshal the route!** If you have cars parked on the route, where possible, it would be great if you can park them off the road, and for much of the course the runners are on open roads, so please take care.
