We're really pleased to be returning with the fantastic Jubilee Park team to bring back the event for our year 4 in 2026.

The Woodhall Spa 10k race has established itself as one of the premier runs in the region and has huge PB potential!!!

Athletes attend from across the country to compete on this flat course through the beautiful Lincolnshire countryside.

We know events like this do cause disruption from your normal routine and we apologise for any inconvenience.

Road closures are in place on the day for the safety of the runners, and we will be opening the roads as soon as possible after the runners have passed through. With all the runners finishing by 11:45.

Local traffic teams will assist with access/exit whenever safe to do so.
