

## The Hedgehog Half Marathon October 10th 2021 09:00-12:30 Residential Information

**The Route:** Setting off from Normanby Hall, the route takes you straight through Normanby to Burton, through the High St, and then onto Thealby, through Thealby, then left into Coleby, and left again into West Halton. Heading to Whitton, runners turn left (just before the village) and up the climb to Alkborough, before heading into Burton, down Tee Lane and through the High St, and then finishing back at Normanby Hall.

### Traffic Impact:

**The Mini roundabout in front of Normanby Hall has Stop/Go boards in place.**

**08:55-09:10**, to safely control the event start, traffic is held in all directions

**10:10-12:00**, intermittent controls will be in place, as runners approach and return into the park grounds.

**The Avenue (Burton to Normanby) - closed**

**08:55-09:15** After this time the road re-opens fully.

**Burton High Street - closed 08:55-09:30** After this time the road re-opens fully, and runners will run on public road. The initial closure is due to the volume of runners at the beginning of the event.

**Darby Rd (at Tee Lane junction) stop/go boards in place from est 09:55 – 11:30** to allow for individual runners to safely make a right turn out of Tee Lane.

**Hedgehogs:** We're working with the amazing team at Andrew's Hedgehog Hospital, based up the road in Appleby, supporting their valuable work through the event!

**Your support:** We're expecting around 500 runners running 13.1 miles.

We would really appreciate you popping out of your house, and cheering our runners on. It makes a huge difference and really shows off how great your village is! You can create good luck signs, put some music on, or even **get in touch if you want to help marshal the route!** If you have cars parked on the route, where possible, it would be great if you can park them off the road, and for much of the course the runners are on open roads, so please take care.

**Queries ahead of the day and after:** [contact@curlysathletes.co.uk](mailto:contact@curlysathletes.co.uk)

**On the day emergencies only:** An emergency is classed as a threat to life or risk of injury. Should the phone not be answered please send a text message where possible. If a risk to life if present then please dial 999 in the first instance. 07947 023 143 is the event directors number.
