The Normanby Hall 10k & 3k 2024

*The Norman Bee 10k!

Welcome Back!

We are very happy to be back for the return of the Normanby Hall 10K and the Normanby 3k!

The 10k route takes you out and about through lovely local villages with a finish in front of the main hall. The 3k stays in the ground of the park :) The 10k route has had a slight tweak for 2024... so were hoping for even more community engagement, a slightly faster course and great weather (ok the weather bit we cant control :))

This event helps to support our Bee friends (wildlife is another passion of the Curly's team) so expect Bee based updates, Bee themed medals, t-shirts with many athletes deciding to go "full bee", dressing up for the occasion.

We also give away a packet of Bee friendly wildflower seeds to every competitor at the finish line to help support our pollinating pals.

Fully chip timed, with some road closures and some open roads. Free parking, finish line snack and a Bee themed medal plus special Worker Bees, helping to make the event great for everyone involved. Plus a great day out at Normanby Hall Country Park after the event :)

This event is high on the list of favourite all time 10k courses for many runners.... it's soooooo pretty!

Curly's Athletes is a community and charity focused event management team, who believe everyone is an athlete. We're a small team with a non profit focus and a drive to 'do good' (that takes many different forms)

We're here to help you find your next challenge, give you a bit of support and plenty of encouragement!

Our goal is to promote active lifestyles by providing people with inspirational, fun, great value and professionally run physical challenges. We know the benefits of this to the individuals and community are huge (both in terms of physical and mental well-being.)

If you would like to look for your next challenge or find out more about Curly's Athletes then pop along to our website: <http://www.curlysthletes.co.uk> or Facebook page: <https://www.facebook.com/curlysthletes/>

08:45 - 3k event starts (at the front of The Hall)

- 09:15 All runners to have arrived, as roads will be closed (3k runners do not ignore road closures to leave then event - exit via Thealby only until around 11:00)
- 09:30 The 10k Race starts!

Athlete well-being

- Medics-our expert medical team will be on hand throughout the event, on the course and at the finish.
- Dress for the weather-please ensure you dress appropriately for the weather conditions and always bring a change of clothes for after the event. We do have a bag drop, but it's as close to your car as it is to drop your bag :)
- Water- We will have water in compostable cups available at the half way point. Please be mindful where you dispose of your cup (it needs to be as close to the aid station as possible so that we can clear them away :) Water (again in compostable cups) will be available at the end of the race and there will be a refill station :)
- Rubbish, if you decide to run with a water bottle or gel please ensure you bring everything away with you that you take onto the course. We will disqualify anyone for intentional littering.
- Headphones are ok as were on fully closed roads, but we recommend bone conducting ones and please remain aware of your surroundings as we may be bringing through emergency vehicles or support residents to access their properties.
- The roads are closed to traffic in the direction of the runners but not on the opposite side of the road, this means traffic will be out and about-**please do not cut corners or cross onto the opposite side of the road.**
- Pacing! Know your target and don't set off any quicker than this pace, if you want to run a quicker race then you need to negative split . . . meaning start relaxed and get quicker. Setting off too quickly is the most common reason for bad times!
- Don't forget to collect your cupcake and wildflower seeds (along with your medal!) at the end of the race:) We love to help our Bee friends and these seeds will give them some much needed fuel and support their habitat.

Spectators & Local Community

Spectators are welcome to attend the event with you, but must arrive in the same vehicle as the runner. If spectators were to come at a later time, they would have to pay entry into the park (unless an annual pass holder)

The nearby villages of Burton Upon Stather, Thealby and Normanby are great places to watch the runners out on course!

Food!

The park cafe will be open for you to enjoy after your run, there's lots of space and it's a fantastic place to relax in :)

The main event

We've attached a route map and a map of the start / finish area with key event areas highlighted and a route walkthrough. You can find an interactive map of the route on the event web page (just scroll down). It will be manned by our support team, signposted and sectioned off where needed ... so you shouldn't get lost!

On the morning we will highlight anything urgent if required via a briefing. We will gather runners from the main car parking area from around 09:15 The run then starts at 09:30 :)

Runners then head through and around the park (all on internal or main roads). You then head off to Thealby,

before a slight climb out of Thealby to Burton

(water station at 6km just after the climb) Right through the centre of Burton and then back to Normanby for a downhill finish in front of the main Hall!

Please be aware this run has full closures in place for the running route but with access / exit built in in some places for residents. Please treat the route as though you are running on public roads so please keep left and keep alert.
