THE RUN FOR WILDLIFE 'SPRING - REVISITED' VIRTUAL EVENT

Information Pack!

Hi everyone, sorry we took the decision to postpone the Run for Wildlife Park 5k (twice!) but we wanted to make sure when we return to the park we're able to give you the experience you want :)

However thank you for choosing to join us virtually for 2020! (and of course thank you to all of those who moved across to the spring event in 2021)

Your support means we can continue to support The Yorkshire Wildlife Park Foundation over 2020 and into 2021, and helps cover all of the kit we've purchased for the event.

As a reminder to say thank you to all of those people who moved from the 'physical' event due to take place on Sunday the 11th of October (and because we don't want to profit out of the event), we've buying you the bespoke event t-shirt (otter themed of course!) (if you previously just entered as a virtual entry then you won't receive these items, but you will of course still receive your medal.)

*nb: a reminder that the medal is 'spring' branded :)

This pack aims to explain what happens, how everything works, and hopefully, you can then go off and run an amazing 5k :)

How does it work?

You can;

- a) Join us on event day (Sunday October 11th), and complete your 5k virtually. This options more fun for those on social media, as we have lots of activity going on!
- b) Complete the distance by midnight on October the 19th :-)

Then you send us you results.... With results you can either;

- a) Submit a simple 'honesty result' ... perfect if you don't track your running with technology. You will appear on the results on our website, but not the leaderboard and you won't be eligible for prizes. Find it here (just scroll down on the webpage): <https://curlysathletes.co.uk/results>
- b) Submit an 'evidence based result' ... The process for this is below, or can be found here: <https://etchrock.zendesk.com/hc/en-us/articles/360011213578-Participant-Submitting-evidence-for-a-virtual-event->

When will I receive my medal (and other items)?

Ok, so for everyone who signed up initially to the virtual event, your medals will be sent out after the main event day on the 11th of October, so these should all be with you by the end of the week. If you've ordered a t-shirt (or are getting one because you moved from the physical event), this will also be sent out at the same time :)

Where can I see the results?

The leaderboard can be found here (for all those who submit evidence): <https://curlysathletes.co.uk/run-for-wildlife-5k#02bf92be-c062-42b5-879f-3ab383d4b0d6>

Our master results list (with everyone entered) can be found here (just scroll down- these are updated every 48 hours from the 11th to the 19th of October.) After midnight on the 19th, we won't add anymore results we haven't received!) : <https://curlysathletes.co.uk/results>

Can I order an event T- shirt?

Absolutely! When you purchase your virtual place, you will be given the option to buy a T-shirt. If you click on the T shirt picture, it will allow you to select your quantity and size. We regret that we cannot post these out before race day, and any ordered will be sent out with your medal :-)
