YORKSHIRE Wildlife PARK

RUN FOR WILDLIFE 5K Autumn 2021

**CURLY'S
ATHLETES**

GREAT WORK!

After the postponement of the spring event, due to Corona Virus guidance, we can't wait to be back and for the best ever running safari on October the 10th.

Firstly, well done to signing up and committing to the Run for Wildlife 5k from the amazing Yorkshire Wildlife Park. The team at Curly's Athletes & The Yorkshire Wildlife Park are excited to bring over 1000 eager athletes to this amazing venue, and help support the Yorkshire Wildlife Park Foundation. The Foundation have a key aim "to create a better world for wild animals, by creating dynamic communities, who promote, conserve and sustain the world's biodiversity and improve animal welfare." If you would like to find out more, have a look at their website <https://ywpfoundation.com> or ask one of the team at the park. You can create a just giving page when you enter, or you can visit here to raise sponsorship <https://www.justgiving.com/ywpf>

At Curly's, our goal is to promote active lifestyles by providing people with inspirational, fun, great value and professionally ran physical challenges. We know the benefits of this to the individuals and community are huge, both in terms of physical and mental well-being.

If you would like to look for your next challenge, or find out more about Curly's Athletes, then pop along to our website: <http://www.curlysatletes.co.uk> or Facebook page: <https://www.facebook.com/curlysatletes/>

This years animal theme is the beautiful Amur Leopard!

We love our Leopard friends, and we have designed our Autumn medals with them taking centre stage.

Of course, we also encourage you to join in the theme!

[The Yorkshire Wildlife Park Foundation](#) is an active supporter of key projects across the globe, so we make sure each event theme helps to support that. Raising awareness about our focus animals, and helping to support fundraising.

It's difficult to believe that an animal so beautiful could be facing extinction. With less than 70 left in the wild, they are critically endangered. Pushed to the brink of extinction (through on-going habitat destruction, forest fires and poaching) it's imperative that conservation of the Amur leopard is a priority.

Through donations and fundraising at Yorkshire Wildlife Park, the [Yorkshire Wildlife Park Foundation \(YWPF\)](#) works closely with the WildCats Conservation Alliance, which is an organisation dedicated to study and protect the Amur leopard and the Amur Tiger in the wild.

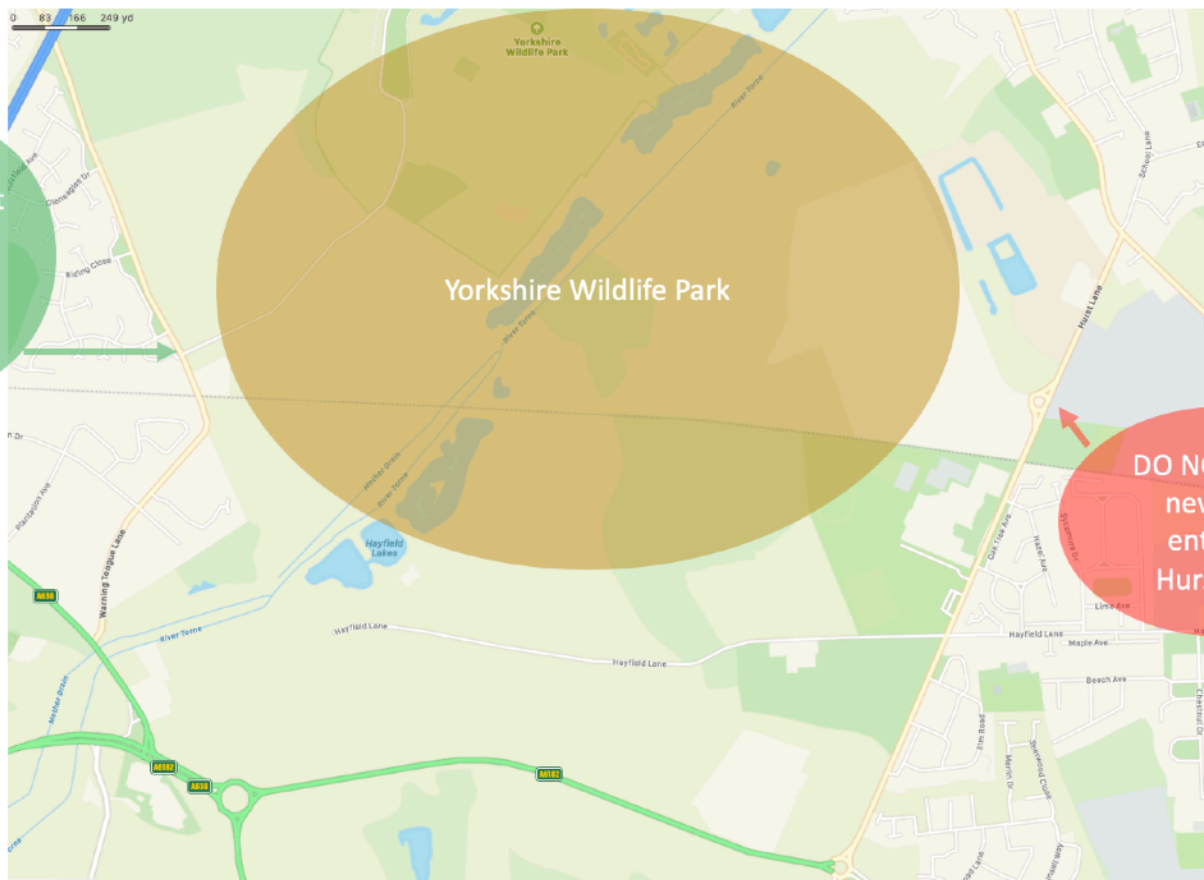

YWPF is proud to support WildCats Conservation Alliance, and funds raised here support a variety of projects such as:

- Monitoring numbers of Leopards, Tigers and prey species.
- Habitat protection-such as putting out fires.
- Supporting anti-poaching teams.

*NB we will be using the 'old entrance' so please follow the guidelines below and not the YWP website, google or signs to the park as these will take you to the new entrance :)

Finding the Park - SAT & SUN

Car parking is free, Using SatNav, enter Post Code DN4 6TB. This will direct you to the roads opposite the old park entrance. You will see the huge gates (it's a little bit jurassic park!) On Warning Tongue Lane just opposite Hatchellwood view. Head on through the gates and you'll be directed where to park.

Registration

You will be able to collect your numbers/passes/fun runners /t shirts from registration (which will be in the large white tents in the car park.) This can either be done on Saturday the 9th October, between 3.00pm to 5.30pm, or on event day, from 7.30am to 8.55 am.

You can also buy spectators tickets on the Saturday (until 17:00) and Sunday before 09:00 (if you didn't purchase at the time of entry.) Our registration team will need to support over 2000 athletes and spectators on the day of the event in a very short timescale, so please ensure you check your entry and make sure you have everything correct before the big day. We advise that (if you can) that you collect your tickets on the Saturday, to reduce your wait time and pre-book your spectator passes when you sign up so we can have everything ready for you.

We can add spectators on the day, but please try to get this done at the time you enter the race, as on race day it will get very busy!

***Entry amends / cancellations** If you wish to amend your entry this must be done **14 days** ahead of the event. Log into etchrock.com to update any details, if you're unable to attend the race then you can transfer to another event up to 14 days before. Partial refunds are only available until 28 days before (50%), full refunds are at 90 days ahead of the event. (For those transferring from Aprils it will remain at 50% refund)

Event timings

- 08:45 Event briefing & athlete line up in the Lion Car Park. We request you position yourself, depending on what time you feel you may complete the course in. So, if you want to go "quick", move to the front. If you want a stroll among the animals, then make your way to the back. For anyone running with buggies, we will ask you to move to the back of the start line for your and other runners safety (as it's a busy / narrow start.)
- 09:00 5k event starts
- 10:00 (est) 5k event finishes (**nb: at 10:00 the park does open to the public, don't worry if you're not finished, but we will remove some of the barriers near the entrance and start the junior run, this is no problem though and our marshals will bring you through to complete the 5k and to the finish line :)**)
- 10:00 (est) Junior athletes gather and Junior Fun Run begins through Lion Country
- 10:20 (est) Prize giving, thank yous and well done! - This will be in the main auditorium, right in front of where you finished. Please pop along, as **we've got awards to give out by 5 year age groupings (plus some special awards to give out)** and we would love to say a big well done to everyone!

Athlete well-being

If you feel unwell or injured then it's your responsibility to make sure you withdraw from the event-please don't put yourself at risk.

If you have tested positive for Covid prior to the event, please send NHS confirmation to contact@curlysathletes.co.uk, in order that we can transfer you to a future event.

- Medics, our expert medical team will be on hand throughout the event and based at the 1/2 way point, in a sweeper vehicle and based at the finish.
- Dress for the weather-please ensure you dress appropriately for the weather conditions, and always bring a change of clothes for after the event. We do not have kit storage facilities, so please leave your belongings in the car, or with a spectator (ideally one you know!)
- Water, we will not have a water station on the course (due to us not wanting any rubbish or waste bottles scattered around the park and potentially harming the animals.) At the end of the event, we do have water for you and provided bottle bins. Please ensure you place your bottles in the correct recycling bins. This way, the plastic ends up in the right place, recycled and re-used rather than out in the sea :(
- Rubbish-if you decide to run with a water bottle or gel please ensure you bring everything away with you that you take onto the course. We will disqualify anyone for littering but more importantly we want to ensure no rubbish finds it's way into an animal enclosure.
- Warming up-please use either the path that runs alongside the road or the lion car park (the start) Do not warm up on the road, as we will be using this for team access in the lead up to the event start. **Take care when crossing the park road, as it is used in the lead up to and after the event.**

The main event

We've attached a map of the park, with key event areas highlighted, and a walkthrough of the route. It will be manned by our support team, signposted and sectioned off, so you shouldn't get lost! We will also have a lead vehicle in place, and support vehicles and medical team members following the event. You'll be coming in the old entrance and parking in the 'education coach only' area (bottom left of the visitor map..

The run for wildlife 5k is designed to be an event for people of mixed abilities, our times range from 16 to 50 minutes. We will have 1000 people taking part which means it's going to be busy and at times overtaking will be difficult. So please be courteous of your fellow athletes. Not everyone is there for a PB (and vice versa) so please be aware if you've an athlete that wants to come past- don't suddenly stop, or block the path, because you've just seen a Rhino (although we appreciate on a normal run that would be a reason to stop!!!)

Park access will be restricted until after 10:00, so please don't go wandering into the park ahead of the main event. This is for your safety, in addition to the safety of our team, the animals and your fellow athletes. You've the whole day afterwards to enjoy the park. You will not have access to the route until the race starts.

0-1k Into the Lion Car park field for race briefing, trying to get you into speed order and warming up! Once the gun is fired, head straight to the Lion cages! Before taking on the Lion loop, 1-2k Heading out of the park (and under the entrance arches) we re-enter the park with the our Polar bear family. 2-3k past Leopards, Giraffes, Rhinos and Zebras, then past the South America Viva (and a glimpse of a Capybara-largest rodent in the world). 3-4k Around the Polar Bears, then past the Giant Otters and back for a loop in the South America Viva (around where the Marmosets & Armadillos live) before heading into the woods. 4-5k- We head around the Lemur enclosure, before passing the Wild Dogs and Baboons. Then it's all go for the final 700m, where you will pass the crowd waiting at the finish (and the Meerkats!). Finally with just 500m to go, its back through the Lion cages for a final Lion loop, finishing under the Lion Country sign where your fans are waiting!

Junior Athletes

Once the 5k event has finished, then it's time for us to round up the Juniors ready for the Lions! **The Junior event will take place in Lion Country, from the adult finish line.** The fun run is designed for junior athletes aged 4-10 (we don't mind if any older ones are booked on) Parents can join their athletes on the course, and help them around (but make sure you can keep up!) Ages 11 and older can be entered ahead of the event into the main 5k.

For the younger ones, we recommend one loop of around 500metres. For the older ones, you can then choose to complete up to 3 loops of Lion country (which is around 1.2 km.) If carrying on for a lap, then grab a "themed" wrist band at the loop point and head round. If just one lap, then head back to the finish, and get your wrist band Don't forget to make your way to the tents after your run for your water and sweets :)

As with all our junior events, we love the chaos, enthusiasm and cheering! This is a just for fun event, and we won't be timing the juniors or issuing any trophies for positions.

The route will be marshalled, as we know that our junior athletes will have a lot to take in. This means we will enthusiastically shout instructions at the lap point and direct them the right way :) We encourage parents to make their way onto the course, but please ensure you keep out of the way of the runners as we expect around 200 fun runners running about!

Spectators

Spectators will have limited park access until 10:00 . This is to make sure the experience of the athletes isn't compromised. The run route is narrow in places, and we clearly want to avoid any conflict with wandering fans ! Quite simply that means if a barrier is across, please don't bypass or sneak down.

You can add spectators onto your event entry when booking your race entry for a discounted rate. We will also have spectator entry available on the day if you forget. However, we advise booking when you book your race to avoid any delays on race day.

We recommend 3 key viewing areas for you to see you loved ones taking part in the event. The start area in the Lion car park, and then once the race has started, walk across the main car park and you will see the athletes exit Lion Country through a normal sealed gate before they head up the main road out of the park (don't worry they come back) You can position yourself anywhere along the main park road. Then head into the park through the normal park entrance barriers (please don't use the Lion gate or Lion cage area as this is on the run route.) We have a spectator crossing in place and you can then wait for your athlete to cross the finishing line.

Please note that having an annual pass DOES NOT mean free entry into the race but will allow you to come and spectate for free.

Presentations, Photos & Results

At the end of the adult and junior event (around 10:30) we will be up at the main auditorium, which is just in front of the finish where we have lots of trophies for the adult event, we will also be recognising age group winners and giving you all a shout out. Please come along, cheer on your fellow competitors and listen to any news we may have about future events and i'm sure we will have some stories to share from the day. Oh and we will have prize bags for the best dressed! Photographers will be down on the day. The photos will be shared on Facebook post event, and we also encourage you to share your photos throughout the day on our main Facebook page.

As the event is chip timed (for the main race) we will have the results ready straight after the event and again we will update on Curly's Athlete's Facebook page when they are loaded onto our website.

The week following the event, we will also e-mail out a summary, including a link to the results, any photos and anything else we think you might be interested in from the day -so don't worry you wont miss anything !

Keep up to date post event: <https://www.facebook.com/curlysathletes/>

We love this event and the feedback from every event has been amazing... so whether you're here to race (remember it's fully UK Athletics licensed and distance certified) or you're just there to see the animals (and have a bit of fun!) then our courses are always designed in a way that they can be raced or walk/jogged (and of course we will support you all the way round with our amazing support crew!)

Virtual Entrants

We know that not everyone is quite ready, or able to return to events just yet.

For us, that's absolutely fine and for people who want to take part (without the crowds!) we've added in a virtual option for £12.50. This means, we will post the amazing medal out to you just before the event .

How it works-

- You run your 5k from the 10th of October, up to midnight on the 17th October 2021.
- Get involved and send us pictures-we really recommend doing the run on the 10th, so you can join in the event day fun :) If you can send us a picture that would be awesome, we can add to our scrapbook :)
- **Submit your results here:** www.etchrock.com - simply select the event ticket and you'll see the option 'submit evidence under options.
When you visit this link you can either;
 - a) Choose 'honesty result'-perfect if you don't track your run. You will appear on the results on our website, but you won't be eligible for prizes or 'ranked' in the final results.
 - b) Choose 'evidence based result'. This requires you to provide a link of your activity from the fitness device that you used (Strava, Garmin, Fitbit, Endomondo etc.) You can also upload a picture of your run if your technology is not having a good day!
- Details on the process is here: [https://etchrock.zendesk.com/hc/en-us/articles/360011213578- Participant-Submitting-evidence-for-a-virtual-event-](https://etchrock.zendesk.com/hc/en-us/articles/360011213578-Participant-Submitting-evidence-for-a-virtual-event-)

RESULT TIPS

- If something has gone wrong, don't re-submit or try to correct, just use this form to get in touch so we can help; <https://curlysathletes.co.uk/results#49538bed-4d75-4f72-a1b0-13aec5668ccd>
- RUN THE DISTANCE- we don't mind you doing it in stages or run further. If you do this then please submit as a honesty result. If you run further, be sure to send us the time for the 5k of your run vs a marathon :)
- DON'T BE LATE-last day for results to be submitted is midnight on the 17th October 2021.
- When entering your time, it is hour first, then minute, then seconds so 45 minutes and 10 seconds would be 00:45:00. 1 hour and 10 minutes 15 seconds would be 01:10:15 :)

From all of the Team at Curly's Athletes & The Yorkshire Wildlife Park, we wish you the very best of luck and we will see you on the day :)
