

The Lincoln City Foundation and Curly's Athletes are extremely pleased to be working with Lincoln City Council to deliver the Lincoln City Half Marathon.

In accordance with Lincoln City Council being the highway authority, an order has been made prohibiting and restricting the use of certain roads and road junctions by vehicles in order to facilitate the safe holding of the event.

This will require the closure of roads and road junctions as well as the suspension of a number of Traffic Regulation Orders.

Road closures and/or traffic measures are in place between 06:30 and 13:00 on Sunday 18th September 2022.

Please note, all roads either crossing or having a junction with the listed roads will also be closed at that point.

A list of road closures, including approximate times, is provided overleaf and on the website some more local information with greater detail is available. We would like to apologise in advance for any inconvenience caused and thank you for your support of the 2022 Lincoln City Marathon.

Diversions will be in place for the day and please plan ahead and allow for extra journey time. The event closures are staggered allowing for the minimum closure time necessary, please do not attempt to bypass road closures or exit / access properties on the closure route unless under the instruction of a traffic marshal. Failing to do so will put people at risk of injury.

If you can, please come out and support the runners, the event raises funds to support the Lincoln City Foundation and the work they do in the community it's a fantastic opportunity to show off Lincoln City and our community spirit.

The runners start at 08:30 from Boultham park and head north to the city before returning to finishing in Boultham park by 12:30.

Please note; access for emergency service vehicles and our own blue light response team shall be retained throughout the duration of the event.

Road impacted	Zone	Junction	From	To	Path	Zone	Detail (junc)	From	To
Rookery Lane	1	Newark Rd – Boultham Park Road (one way system after 09:00)	06:30	12:30
