A photograph of a 10k race taking place on a grassy field. In the foreground, a woman wearing a blue athletic top and patterned leggings is running, with a race bib number 496. Behind her, a person in a large, yellow and black bee mascot costume is also running. To the left, a man in a green safety vest and a face mask is walking. Other runners and spectators are visible in the background, some wearing masks. The scene is set outdoors with trees and a fence in the distance.

Thank you for such a well organised and safe event. Was a lovely return back to racing! Thanks so much for all the obvious hard work you have to put in to organise this. Big thank you to the volunteers too. The medal is super nice too 🏆👏 It was great to have an option to not receive/pay for a tshirt which is much better for the environment. Would love to see more races make tshirts optional! 🌱
