QISCET organizes workshop on Python

Our Bureau

Ongole: The QIS College of Engineering and Technology organized a workshop on Python programming for the third year electronics and communications engineering students in the college, announced the college secretary and correspondent Nishamuni Surya Kalyan Chakravarthy and Nishamuni Educational Trust chairman Nishamuni Nagaswara Rao in a statement on Monday.

They said that P Uday Prakash, from the Synex Technologies acted as the resource person for the workshop and explained that the program skills in Python which helps the students to excel in automation, data mining and big data concepts. He explained the Python programming with the help of a power point presentation.

The college principal Dr Dhillipalavanakara, HoD of BCE Dr Ch Himasindhu and other teaching staff also participated in the programme.
