THINGS I THINK

I am a creative who cares as much about results as I do awards.
I'm a leader who believes in believing in the people I work with.
I have managed big teams and small- worked on little brands-that-could and large ones from my childhood.

AWARDS

Lots of local, many regional and one or two national: Emmys, Effies, Addy's, Webby's, Reggies and Tellys.

EXPERIENCE
