Matt Smith

Native of Kennewick. Member of Mastersingers since 2008. Retired family physician. Single with 3 children. Presently volunteering at Grace Clinic, Unitarian Universalist Church and Fun Fit and Over Fifty.

Greg Levy

Greg is a Training Specialist at H2C. After moving from the busier, greener side of the state 16 years ago to take a position at Hanford, it took Greg a few years to get brave enough to get involved in the local arts community.

Since then, Greg has been a performing participant in the Mastersingers for 12 years and has dabbled as a performer in other local organizations such as ACT and MCMT. Previously, Greg spent 2 years on the Board of The Rude Mechanicals during the challenging COVID period.

In addition to non-profit experience, Greg has served on The City of Richland Code Enforcement Board and is currently on the Benton County Civil Service Commission.

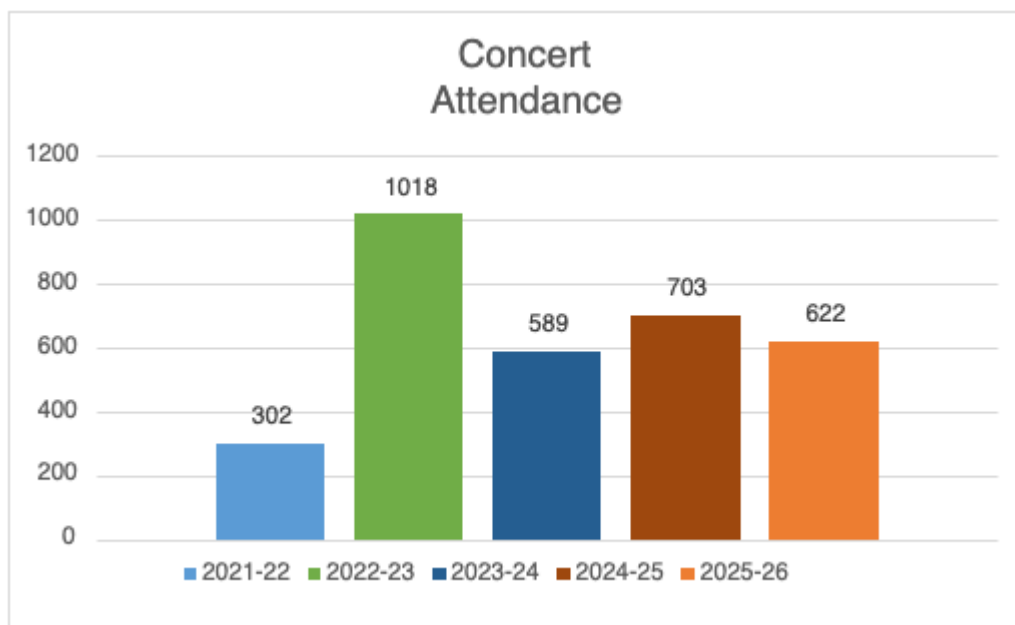

Brando Suarez

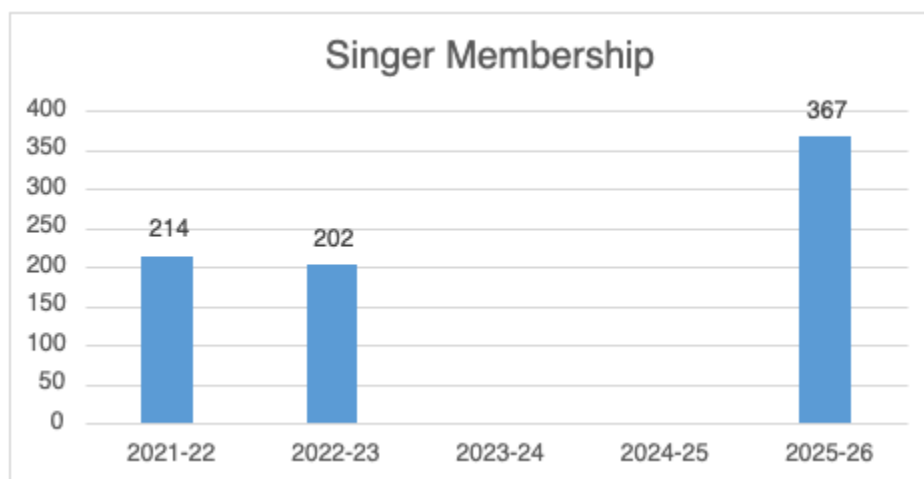

Brando Suarez is an IT Administrator at Allen Brecke Law Offices and Music Director at St. Paul's Episcopal Church. He is passionate about music, worship, and community service, and enjoys singing in choirs and playing tennis in his spare time.
