When helps, when seconds matter?

Introducing the latest Rapid Access System for the Homeowner

Knox®
HomeBox
Wall Mount with
optional decorative backplate
(backplate coming soon)

Knox® HomeBox™ provides homeowners with the same secure rapid access system that currently protects hundreds of thousands of government and commercial properties in over 13,500 fire jurisdictions across North America for over 40 years. When lives, safety and property matter, a Knox HomeBox can make all the difference.

Homeowner Advantages

- Improves response times for emergency services
- Reduces property damage
- Makes re-securing accessed property reliable, easier and faster

Homeowner Requirements

1. Recognize the need for secure assistance for the fire department in the event of an emergency.
2. Go to www.knoxhomebox.com and select "Buy Now"
3. Select a desired location on your residence to mount the Home Box, along with color selection.
4. Order the appropriate HomeBox for your choice
5. Once received, contact the Grant Park Fire District and advise them that your HomeBox has arrived and schedule an appointment.
6. Mount the HomeBox at your desired location prior to your scheduled appointment with a Grant Park Fire District representative.
7. Obtain a working key that can be installed in the HomeBox and secured by a Grant Park Fire District representative.
