

SUPERVISION FOR RCT-C'S

JANICE HARTLEY

Janice is an experienced supervisor who is accepting new supervision clients. Janice specializes in complex trauma work and severe anxiety symptoms, specifically panic disorder and OCD. She also has years of training and experience in diagnosis and treatment of ADHD.

A self described lifelong learner, Janice works from a wholistic, trauma-informed lens with adults and youth. She is trained in and implements a wide variety of therapy modalities depending on client need.

Supervision will consist of weekly or bi-weekly meetings with homework and case consultation. Online or in person sessions available.

For more information or to set up an interview for supervision please contact us @
admin@atclinic.ca or call (902) 412-1557
