CAPABILITY NARRATIVE

208 Pioneers Transport LLC is a minority, woman-owned transportation company specializing in refrigerated freight and last-mile delivery. We serve the food and beverage industry with reliable, temperature-controlled transport, focusing on safety, professionalism, and on-time performance. With experience in both spot market and private contract deliveries, including commercial sprout distribution, we offer tailored logistics solutions for perishable and non-perishable goods. Our status as a certified minority, woman-owned business brings added value to partners seeking dependable, diverse transportation providers.

DIFFERENTIATORS

- **Dedicated Service** – Focused, personalized delivery with a commitment to consistency and care.
- **Reliable Final Mile Delivery** – Trusted partner for time-sensitive, temperature-controlled goods across Florida.
- **Perishable Goods Expertise** – Proven experience handling delicate products like vegetable sprouts with precision.
- **Real-Time GPS Tracking** – Full shipment visibility and accountability from pickup to delivery.
- **Minority & Woman-Owned** – Adds supplier diversity while delivering high-quality logistics solutions.
- **HIPPA & Bloodborne Pathogen Certified**
