**OTHERS WHO WE MAY HAVE OMITTED
AND, OF COURSE, THE WEATHER GODS**

In Memoriam: Sharon Leiber

In August, the Vintagers lost a long standing member and dear friend, Sharon Leiber, of Cromwell, CT. A most generous person, she was always the first to come forward as a volunteer, even when she was not feeling particularly well. Need some help at the Gate at the Vintage Cup (not the most popular of tasks)? She would step forward for a three or four hour shift, if she were not

accompanying her husband Karl around the course. Need some baked goods for the Ladies' Tea? She would prepare miniature scones which were ever popular. If I was unable to be at a Northeast Chapter shoot, she would take over the accounting duties. I believe she truly enjoyed being a member of the Vintagers, diving into the appropriate wardrobe, so much so, that she was given the Bertie Award for Best Dressed Lady. She was known for what I must call "the hat" decorated with an entire pheasant. In her honor, we have named the tea at the Cup "Lady Sharon's Tea". She will be missed by us all as she leaves a large empty seat at the Vintager table. — *Melanie Poudrier*
